STRATEGIC PLAN

2026 – 2029

A practical roadmap for the growth of table football in Georgia

TABLE FOOTBALL ASSOCIATION OF GEORGIA

REGISTERED 28 February 2023	LEGAL FORM Non-commercial legal entity	ID NUMBER 404667188
PLANNING PERIOD 2026–2029	DOCUMENT Strategic plan	STATUS Approved by Sole Founder decision

01 PURPOSE OF THE PLAN

This plan sets out what the Table Football Association of Georgia (TFAG) intends to build between 2026 and 2029. TFAG is still a small organisation, with an active community but no formal club or player registration system yet. The priorities are based on the federation's current capacity, the needs of the existing player community, and the practical steps required to establish table football as an organised sport in Georgia.

The plan will also guide TFAG's cooperation with the International Table Soccer Federation (ITSF). Access to ITSF systems, educational resources and technical support will be important for player registration, national rankings, referee and coach development, and future international participation.

TFAG at a glance

18 WOMEN PLAYERS	**2** PLAYERS UNDER 18	**0** REGISTERED PLAYERS	**0** FORMAL CLUBS

02 CURRENT POSITION

TFAG was registered on 28 February 2023 and began operating immediately. Since then, it has organised public tournaments, corporate competitions, beginner events and regular open training sessions. The association currently works mainly in Tbilisi.

Community and access

- Approximately 60-80 regular active players.
- Around 18 women and 2 players under 18 are included in the current active player base.
- No formally registered or licensed players yet.
- No affiliated clubs yet.
- Informal player groups exist at Bank of Georgia and Windfor's and may later develop into formal clubs.
- Two original Leonhart Leo Pro Tournament tables are available for daily play at Shuffle Boar Bar, 18 Queen Tamar Avenue, Tbilisi.
- Monthly open training sessions and friendly tournaments are held for the existing community.

03 ACTIVITY SINCE 2023

TFAG has built its community through public, corporate, festival and beginner events. The record below reflects the main activities confirmed for this plan.

YEAR	ACTIVITY	PARTICIPATION / NOTES
2023	Bars Cup	4 bars; 120 players
2023	Ad Black Sea Creatives Cup	Festival tournament
2023	Sport Fest beginner mixed tournament	32 players
2024	Ad Black Sea Creatives Cup	Festival tournament
2024	Legend Series	62 players
2024	Free University Tbilisi Tournament	62 players
2024	Sport Fest beginner mixed tournament	32 players
2025	Setanta Tournament	32 players
2025	Sport Fest beginner mixed tournament	32 players
2026	Fans World Cup	60 players
2026	Ad Black Sea Creatives Cup	48 Players

Current support network

TFAG has worked with venues, companies, festivals and educational organisations, including Shuffle Boar, Rooster Bar, Fabrika Tbilisi, White Rabbit Bar, Windfor's, Bank of Georgia player groups, Betsson Sport, Ad Black Sea Festival, Sport Fest Tbilisi and Free University of Tbilisi.

The association is financed through founders' donations, sponsored events, private and corporate tournaments, and table rentals. From 1 January to 23 October 2026 it received GEL 6,224.16 from its activity, as shown in the approved Financial Statement.

04 CHALLENGES AND STRATEGIC GOALS

Main challenges

1 **Low public awareness**
Table football is still mostly seen as a bar game rather than an organised sport.

2 **Limited access to tables**
Only a small number of venues in Tbilisi currently have suitable tables, so most people are not exposed to the game.

3	**No formal club and player structure** TFAG does not yet have affiliated clubs, licensed players or a national ranking.
4	**No formal state recognition** This limits access to public grants, sports programmes and institutional support.
5	**Limited technical capacity** Georgia currently has no formally trained table football referees or coaches.
6	**No established youth pathway** Junior training and competitions have not yet been developed.
7	**Limited funding** Most activity depends on founders, event partners and occasional sponsorship.

Strategic goals for 2026–2029

GOAL	WHAT IT MEANS IN PRACTICE
Grow participation	Increase the regular player base from 60-80 players to around 200 active players by the end of 2029.
Create a formal national structure	Introduce player registration, national rankings and affiliated clubs.
Improve access to tables	Increase the number of permanent and mobile tables so that regular play is possible beyond one venue.
Obtain formal recognition	Continue the process of recognition by the relevant Georgian state sports authority.
Build technical capacity	Train referees and coaches using ITSF standards and resources.
Create a national team	Select a Georgian national team in 2027 and begin international participation from 2027, subject to funding and event access.
Start junior development	Launch regular junior training and establish junior competition activity.
Expand outside Tbilisi	Begin organised activity in Kutaisi and create a base for further regional development.

05 STRATEGIC AREAS AND PLANNED ACTIONS

5.1 Competitions, registration and rankings

- Continue monthly friendly tournaments and open training sessions for regular community activity.
- Introduce two official national ranking tournaments per year from 2027.
- Review the ranking calendar after the first season and add more ranking events if participation and organisational capacity allow.
- Use ITSF's CORAL platform for player registration, competition administration and publication of national rankings once access is granted.

- Publish competition rules, results and rankings online.
- After the 2027 elections, the Board will give responsibility for competitions and rankings to a named person.

5.2 Clubs and regional development

- Help existing informal groups at Bank of Georgia and Windfor's develop into formal clubs where practical.
- Create a simple affiliation process for new clubs.
- Use Tbilisi as the main base during the first phase and begin expansion to Kutaisi.
- Support future clubs with tournament formats, rules, player registration and access to training materials.
- Aim for 5–10 affiliated clubs by the end of 2029.

5.3 Tables and playing access

- Work with ITSF and manufacturers to obtain better purchase terms for competition-standard tables.
- Place permanent tables in bars, universities and other high-use locations.
- Use coin-operated tables in commercial venues where this can help cover maintenance and replacement costs.
- Seek sponsors for tables placed in schools and universities.
- Acquire mobile tables for festivals, public events, schools, universities and regional visits.
- Target 20 tables by the end of 2029: 16 permanent tables and 4 mobile tables.

5.4 Referees, coaches and technical development

- After the 2027 elections, the Board will give responsibility for referees and coaches to a named person.
- Use ITSF rules and educational resources as the basis for training.
- Organise introductory referee and coach training from 2027.
- Develop at least 5 trained referees and 5 trained coaches by the end of 2029.
- Use trained coaches to support beginner sessions, junior training and national team preparation.

5.5 Youth and grassroots

- Until the 2027 elections, the President and Vice-President lead youth and grassroots work; afterwards the Board will name a responsible person.
- Start pilot junior training sessions in Tbilisi.
- Approach schools and universities with demonstration sessions and short-format tournaments.
- Use mobile tables to test interest before committing to permanent placement.
- Seek sponsors for educational table placements and junior activity.
- Build a base of 20–30 junior players by the end of 2029.
- Introduce a junior championship once there is a stable group of participants.

5.6 National team and international participation

- Define a transparent national team selection process based on official results and ranking

performance.

- Form the first Georgian national team in 2027.
- Begin international participation from 2027 where funding, registration and tournament access allow.
- Use international participation to improve playing standards and raise awareness of table football in Georgia.

5.7 Recognition, communication and partnerships

- Submit a written recognition request to the Ministry of Sport after the statute amendments are registered and the first Board is elected. TFAG met a Ministry representative in 2023; no written request has been submitted yet.
- Maintain regular public communication about tournaments, rankings, national team activity and development work.
- Communication is handled by Nino Gvritishvili (social media) and Beqa Meparishvili (website).
- Continue cooperation with current venue, festival, corporate and educational partners.
- Develop sponsorship proposals linked to tables, junior programmes, national competitions and international participation.

CORAL IMPLEMENTATION

TFAG intends to use ITSF's CORAL platform from the launch of its official player registration and ranking system. This will begin once access is granted through the ITSF membership and documentation process.

06 IMPLEMENTATION TIMELINE

2026 PREPARATION	Complete the ITSF/AIMS documentation process. Adopt the statute amendments and Electoral Rules. Continue monthly friendlies, open training and public events. Prepare the first elective General Assembly (30 January 2027). Prepare the first national ranking rules and competition format. Begin discussions on additional permanent and mobile tables.
2027 FORMAL LAUNCH	Hold the first elective General Assembly on 30 January 2027. Elect a five-member Board and give each priority area to a named person. Launch player registration and rankings through CORAL, subject to ITSF access. Run two official ranking tournaments. Form the Georgian national team and begin international participation where possible. Start referee, coach and junior pilot programmes.
2028 EXPANSION	Support the creation of the first formal clubs. Start organised activity in Kutaisi. Increase table access in Tbilisi and begin placement in Kutaisi. Review whether the ranking calendar should expand beyond two events. Develop regular junior sessions and inter-group competitions. Continue referee and coach development.
2029 CONSOLIDATION	Reach around 200 active players and at least 100 registered players. Operate in at least two cities. Reach 5–10 affiliated clubs. Reach 20 tables in total, including 4 mobile tables. Have at least 5 trained referees and 5 trained coaches. Maintain a junior base of 20–30 players. Review the plan and prepare the next strategic period.

07 END-OF-2029 TARGETS

The targets are ambitious but designed to remain credible for a federation beginning from a small base and working with limited, partly unsecured funding.

INDICATOR	CURRENT POSITION	2029 TARGET
Active players	60-80	Around 200
Registered players	0	At least 100
Affiliated clubs	0	5–10
Cities with organised activity	1	At least 2
Tables	2	20 total
Permanent tables	2	16: 10 in Tbilisi, 6 in Kutaisi
Mobile tables	0	4
Trained referees	0	At least 5
Trained coaches	0	At least 5
Junior players	2 currently active	20–30
Official ranking events	0	At least 2 per year

How progress will be measured

- Player registrations and tournament participation
- Number of affiliated clubs and active cities
- Number and location of permanent and mobile tables
- Number of trained referees and coaches
- Junior participation and recurring training activity
- National team formation and international participation
- Recognition status, partnerships and secured funding

08 GOVERNANCE, FINANCE AND APPROVAL

Governance and monitoring

The current leadership positions are appointed by the Sole Founder. The first elective General Assembly is set for 30 January 2027. Clubs will elect a five-member Board: President, Vice-President, Secretary, Treasurer and one Board Member. TFAG will not create standing committees for now; the Board will give each area of work to a named person.

Progress against this plan will be reviewed once a year. Targets may be adjusted if funding or access to equipment changes, but any changes should be recorded and explained.

TFAG publishes its statute, plans, annual reports, financial statements and decisions on tfageorgia.com.

Board members and candidates declare any conflict of interest and do not take part in decisions where they have one.

Gender balance

About 18 of TFAG's 60–80 regular players are women. All TFAG events are open and mixed, and women take part in them.

Two of the seven people in the TFAG team are women: the Secretary and the Social Media Manager. On social media, 46% of TFAG's Facebook followers and 40% of its Instagram followers are women.

From 2027, TFAG will record gender at registration for every event and report participation by gender in its annual activity report.

Sustainability

TFAG keeps its activity within the money it actually has. Large purchases, such as new tables, go ahead only when dedicated funding is found, and international participation only with a dedicated sponsor.

Income comes from more than one source: sponsorship, table rental shared with Shuffle Boar, and private and corporate tournaments. The team works as volunteers and TFAG pays no rent, which keeps fixed costs low.

TFAG's own equipment, two Leonhart tournament tables with dedicated lights, is maintained and used at every event.

Financial approach

TFAG received GEL 6,224.16 from its activity from 1 January to 23 October 2026. The 2027 base budget is GEL 16,000; the purchase of two more tables (GEL 14,600) depends on dedicated funding. Funding is not fully secured, so the plan will be implemented in stages.

TFAG's income target for 2027 is the base budget of GEL 16,000, to be covered by sponsorship, table rental and corporate tournaments.

CURRENT INCOME SOURCES	PLANNED ADDITIONAL SOURCES
Founders' donations	Longer-term sponsorship agreements
Sponsored events	Sponsored table placements
Private and corporate tournaments	Coin-operated table income
Table rentals	Public grants if recognition is obtained
	ITSF or manufacturer support

TFAG will not commit to activities that cannot be funded. Large equipment targets, especially the purchase of additional tables, depend on sponsorship, partner contributions and access to favourable purchase terms.

Approval

This Strategic Plan was approved by the Sole Founder of TFAG by written decision and serves as the working framework for the period 2026–2029.

DEVELOPMENT PROGRAMME

2026 – 2029

Youth, student and grassroots development

TABLE FOOTBALL ASSOCIATION OF GEORGIA

საქართველოს მაგიდის ფეხბურთის ასოციაცია

REGISTERED	LEGAL FORM	ID NUMBER
28 February 2023	Non-commercial legal entity	404667188
PROGRAMME PERIOD	**DOCUMENT**	**STATUS**
2026–2029	ITSF topic 3	Approved by Sole Founder decision

01 STARTING POINT

TFAG has an active table football community in Tbilisi, but youth and student development is still at an early stage. This programme sets out a practical first model for schools, universities and new players.

The Table Football Association of Georgia began operating in February 2023. It currently has around 60–80 regular players, including 18 women and 2 players under 18. There are no registered junior players, affiliated clubs or formal youth training groups yet.

TFAG already runs monthly open training and friendly tournaments. It also organised a 62-player tournament at Free University of Tbilisi in 2024. This provides a useful starting point, but regular access to tables remains limited and the existing annual budget does not cover a school programme.

What the programme is intended to solve

1	**Limited access** Most schools and universities do not have table football tables, so young people rarely encounter the sport.
2	**No regular pathway** A player who discovers the game at school or university currently has no clear route into coaching, official competition or a national ranking.
3	**Limited technical capacity** TFAG needs trained coaches before it can work with schools and minors on a regular basis.
4	**Funding gap** The current federation budget covers basic operations. Tables and education programmes require separate support from institutions and sponsors.

Programme period

The programme covers 2026–2029. The preparation phase begins in 2026, the first Tbilisi pilot is planned for 2027, and expansion will depend on results, equipment and funding.

02 OBJECTIVES AND WORKING PRINCIPLES

Main objectives

- Make table football available to school and university students who do not currently have regular access to the game.
- Introduce the sport through free, simple and well-supervised training and tournaments.
- Create a route from informal play to central TFAG training, official competitions and national rankings.
- Develop the first trained coaches and volunteers able to work with beginners and minors.
- Help student groups develop into future university clubs.
- Build a stable junior player base and prepare the strongest players for national and international competition.

Working principles

1 **Free entry**
School, university and central development sessions will be free for participants during the pilot phase.

2 **Start small**
TFAG will begin with two universities and two schools in Tbilisi. Further growth will depend on actual participation, available coaches and confirmed funding.

3 **Tables before programmes**
Regular activity will begin only where a usable table and basic accessories are available.

4 **Coach first**
School activity will start only after at least two TFAG coaches have completed initial training.

5 **Monthly support**
TFAG will visit each pilot institution about once a month. Informal play can continue between visits through a local coordinator.

6 **Mixed participation**
Training and beginner competitions will be mixed. A separate girls' programme may be considered later if participation justifies it.

7 **Clear next step**
Interested players will be invited to central TFAG training and then to appropriate official competitions.

03 TARGET GROUPS AND PROGRAMME STRUCTURE

A. School Junior Programme

The school programme is for players under 19. For day-to-day training, TFAG may group participants by practical school-age cohorts: 8–12, 13–15 and 16–18. For official competitions, registration and rankings, TFAG will use the ITSF categories Junior U13, Junior U16 and Junior U19.

When numbers are small, different ages may train together. Formal age divisions will be used for results and awards where participation allows.

Training cohort	Official competition category	Main focus
Ages 8–12	Junior U13	Discovery, basic grip, ball control, coordination and simple games
Ages 13–15	Junior U16	Technique, rules, match play and regular practice
Ages 16–18	Junior U19	Competition preparation, advanced skills and pathway to adult events

B. University and Young Adult Programme

University students will be treated as a separate student and young adult programme. The first planned pilot partners are Free University of Tbilisi and International Black Sea University.

- A table will be installed at each university when the institution or a sponsor confirms funding.
- TFAG team members and volunteers will act as programme coordinators.
- Students will be able to play informally between organised sessions.
- TFAG will visit approximately once a month for practice support, rules, coaching and internal tournaments.
- Interested players will be invited to central training, monthly friendlies and official ranking tournaments.
- Where a stable group forms, TFAG will help it develop into a university club.

C. Community Beginner Programme

Monthly open training at Shuffle Boar will remain the central entry point for beginners of all ages. It will also receive players identified through schools, universities, festivals and public events. Central development training will be free.

04 HOW THE PROGRAMME WILL WORK

Institutional entry model

1 **Agreement and equipment**
TFAG agrees table ownership, location, access and supervision with the institution. The institution buys the table, or a sponsor is secured. TFAG provides balls and basic accessories.

2 **Coordinator**
A TFAG team member or volunteer is assigned to the institution, supported by a local school or university contact.

3 **Launch session**
TFAG introduces the rules, basic technique, table care and a simple playing format.

4 **Monthly visit**
TFAG returns approximately once a month for coaching, practice and short competitions.

5 **Local activity**
The institution keeps informal play active between visits and may run small events using TFAG guidance.

6 **Progression**
Interested or promising players are invited to central TFAG training and appropriate federation events.

Player pathway

School or university play	Monthly coached session	Internal tournament	Central TFAG training	Official competition and ranking

Competition model

The first junior event is planned for the end of 2027. It will be one combined Junior Development Tournament with U13, U16 and U19 standings where numbers allow. If a category has too few participants, players may share an initial group while results remain separated by age where practical.

University competitions will remain part of the student programme. TFAG may organise internal events at each university and one inter-university tournament. University players who meet the requirements may also enter adult friendlies and ranking events.

05 2027 TBILISI PILOT

The first year is designed as a manageable test. TFAG will focus only on Tbilisi and will not expand to other cities until the model has been reviewed.

Area	Planned scale	TFAG role	Condition for launch
Universities	Free University of Tbilisi and International Black Sea University, from early 2027	Coordinate table placement; monthly training and tournaments; invite players to central activity	Table purchase funded by university, sponsor or joint arrangement
Schools	Two pilot schools by the end of 2027	Coach-led introduction, monthly sessions, internal competition and player progression	At least two trained coaches; table and programme funding confirmed
Central training	Shuffle Boar	Free training for selected and interested players from partner institutions	Available coaches, timetable and parental consent for minors
Junior competition	One Junior Development Tournament by the end of 2027	Event delivery, age-category results and invitations to continued training	Sufficient participation and safe event supervision

Initial working targets for 2027

- Two trained coaches before school delivery begins.
- Tables and regular activity established at two universities.
- Two school partnerships prepared and launched by the end of the year, subject to funding.
- Approximately one TFAG visit per month to each active pilot institution.
- At least one introductory tournament at each active institution.
- One combined junior development event by the end of 2027.
- Basic participation and attendance records kept for every pilot institution.
- A list of players invited to central training and future competitions.

What will be reviewed after the pilot

TFAG will review how often tables are used, how many players return, whether local coordinators can keep activity going between visits, which age groups respond best, and what it costs to operate each location. The 2028 programme will be adjusted using this information.

06 TIMELINE AND MEASURES

2026 – preparation

- Confirm the programme model and complete the ITSF/AIMS documentation.
- Continue discussions with Free University of Tbilisi and International Black Sea University.
- Approach potential sponsors, including banks, telecom companies and sports broadcasters.
- Identify two potential schools and prepare a simple school partnership offer.
- Arrange initial coach training and prepare safeguarding procedures.

2027 – first delivery

- Launch activity at two universities in Tbilisi.
- Train at least two coaches before beginning school sessions.
- Add two pilot schools by the end of the year, subject to funding and table placement.
- Run monthly institutional visits and free central training.
- Hold the first Junior Development Tournament.
- Invite university players into friendlies and the new ranking system through CORAL once access is granted.

2028 – improvement and first expansion

- Keep successful Tbilisi locations active and replace weak arrangements where necessary.
- Add institutions only where equipment, local coordination and funding are confirmed.
- Develop the first university clubs.
- Run regular junior activity and consider the first outreach sessions in Kutaisi.
- Continue coach and referee training.

2029 – consolidation

- Maintain a regular base of 20–30 junior players.
- Connect junior and student activity to national competitions and rankings.
- Support formal clubs created through university or community groups.
- Review whether participation is large enough for a separate girls' junior programme.
- Prepare the next four-year development programme.

Programme indicators

Indicator	How it will be checked	Direction by 2029
Active institutions	Signed arrangements, table locations and activity records	Stable school and university network, expanded only where sustainable
Participation	Unique participants and repeat attendance	20–30 regular junior players and a growing student base
Coaching capacity	Number of trained and active coaches	At least 5 trained coaches across TFAG activity
Player progression	Invitations to central training and participation in official events	Clear movement from local play to federation competition
Clubs	Groups completing affiliation	University and community groups contributing to the 5–10 club target
Equipment	Permanent and mobile tables in use	Contribution to TFAG's target of 20 tables in total

07 SAFEGUARDING, RESOURCES AND RESPONSIBILITY

Safeguarding and work with minors

Before school delivery begins, TFAG will adopt a simple written safeguarding procedure based on ITSF principles and local requirements. The programme will be designed so that children are never left under the sole responsibility of an untrained volunteer.

- School sessions will take place with an authorised school representative present.
- At least one trained TFAG coach will lead organised sessions involving minors.
- Written parental consent will be required for minors attending off-site central training, federation tournaments or travel.
- Emergency contact details and relevant medical information will be collected only where necessary and handled confidentially.
- Photography and publication of a minor's image will require the appropriate consent.
- Any concern involving a child will be reported through a defined TFAG contact and handled without delay.

Equipment and programme budget

TFAG's 2027 base budget is GEL 16,000, including GEL 6,000 for youth, school and university activity. It does not include the purchase of tables or a full school programme.

The first school and university phase is expected to require an additional GEL 3,000–5,000 per year for visits, training materials, basic event delivery and programme administration. Table purchases are separate and must be funded by the institution, a sponsor or a joint arrangement.

Resource	Planned responsibility	Notes
Competition-standard table	University, school, sponsor or joint funding	Not included in GEL 3,000–5,000 programme estimate
Balls and basic accessories	TFAG, with partner support where available	Provided with the table at launch
Coach and coordinator time	TFAG and programme funding	Approximately one visit per active institution each month
Tournament materials and awards	TFAG, institution or sponsor	Kept modest during the pilot
Travel within Tbilisi	TFAG / programme funding	2027 pilot is limited to Tbilisi
Communications and registration	TFAG	Existing channels; CORAL used when ITSF access is granted

Governance and delivery responsibility

The programme is led by President Roland Kitia and Vice-President Beqa Meparishvili. After the 2027 elections, the Board will give responsibility for school, junior and university work to a named person.

University coordinators will be TFAG team members or volunteers. Each partner institution will also be asked to name a local contact who can support access, scheduling and communication.

Reference framework

- ITSF Sport Code: Junior U13, U16 and U19 categories for official competition and ranking purposes.
- ITSF educational resources, including beginner training materials and coach education, to be adopted as access and translation allow.
- ITSF safeguarding principles, including protection of minors, confidentiality and zero tolerance for abuse or violence.

01 DECLARATION OF ADOPTION

TFAG will use ITSF educational resources as the common reference for beginner training, school and university sessions, and the first stages of player development in Georgia.

The Table Football Association of Georgia formally adopts the educational resources made available by the International Table Soccer Federation as the basis of its grassroots work. The material will be introduced gradually and used in a way that matches the number, age and experience of participants.

TFAG will not claim that every ITSF resource is already fully implemented. The first step is to translate, prepare and test the material during the 2027 pilot. More advanced tools will be introduced as coaches are trained and ITSF access becomes available.

ITSF resources covered by this programme

1	**Basic Rules** Short rules for first-time players and public table locations.
2	**Basic Guide** A simple introduction to grips, control, passing, shooting and fair play.
3	**Training Session** A reference for structuring beginner sessions and short group exercises.
4	**Pedagogic Guide** A broader source for coaches, progressive exercises and technical development.
5	**ITSF Passport** A possible progress tool for regular participants once available and practical to use.
6	**Trainer education** TFAG representatives will take part in ITSF trainer or coach education when access is confirmed.

02 GEORGIAN TRANSLATION AND ACCESS

The programme will make the learning material easy to find at the point where people actually play.

TFAG plans to translate the available beginner and education material into Georgian. Where ITSF approval is required for translated or adapted material, TFAG will submit it before public use.

How the material will be used

- A Georgian online resource page containing the basic rules, beginner guide, training exercises and simple progress sheets.
- QR codes fixed to tables at universities, schools and other partner locations, linking directly to the Georgian materials.
- Printed basic rules and beginner posters displayed close to each table.

- Printed exercise sheets used by TFAG representatives during school, university and central training sessions.
- Short social media posts and videos that explain one rule or exercise at a time.
- Updated QR links when ITSF resources or national rules change, so tables do not need to be reprinted.

Practical principle
A player who finds a table without a coach present should still be able to scan a code, understand the basic rules and try a simple exercise.

03 PROGRAMME OBJECTIVES

- Give new players a simple and consistent introduction to table football.
- Make the sport available in places where students and school pupils spend time every day.
- Use the same basic rules and teaching language across TFAG sessions.
- Create a clear route from first contact to regular training and official competition.
- Prepare the first TFAG coaches and volunteers for work with beginners and minors.
- Identify players who want to continue and invite them into the existing TFAG community.
- Use school and university activity to support the creation of future clubs.

Target groups

Group	Local training approach	Formal competition reference
School pupils	Training groups may be organised broadly as ages 8–12, 13–15 and 16–18.	ITSF Junior U13, U16 and U19 categories.
University students	Student and young adult programme, mainly beginners and casual players.	Open or age-appropriate national categories.
Adult beginners	Monthly discovery sessions at Shuffle Boar.	Open national categories when ready.
Regular developing players	Central training and competition preparation.	TFAG ranking events and, later, ITSF competition.

Training groups can be combined when numbers are small. Official competition and CORAL registration will follow ITSF age categories rather than separate Georgian categories.

04 DELIVERY MODEL

The programme combines everyday access to tables with monthly TFAG support and a clear invitation into central training.

4.1 University and young adult programme

- Planned pilot universities: Free University of Tbilisi and International Black Sea University.

- A table will be purchased by the university, funded by a sponsor, or financed through a joint arrangement.
- TFAG will provide balls, basic accessories, QR materials and printed rules.
- A TFAG team member or volunteer will act as coordinator for each university.
- TFAG will visit approximately once a month for training support or a short tournament.
- Informal daily play will continue between visits.
- Interested players will be invited to free central training and TFAG tournaments.
- Where a stable group develops, TFAG will help it work towards formal club status.

4.2 School junior programme

- The school pilot will begin only after at least two TFAG representatives have completed initial coach training.
- TFAG plans to add two Tbilisi schools by the end of 2027, subject to tables and sponsor support.
- Each participating school will have a named staff contact present during TFAG sessions.
- TFAG will visit approximately once a month for rules, exercises, practice and small internal events.
- Participation will be free.
- Written parental consent will be required for regular participation, central training and media use.
- Players showing interest or progress will be invited to free central training at Shuffle Boar.
- The first junior development tournament is planned for the end of 2027.

4.3 Central beginner sessions

- One free beginner and discovery session per month at Shuffle Boar from 2027.
- The session will be separate from normal community practice, but participants may stay and meet regular players.
- Sessions will use translated ITSF material and simple practical exercises.
- Attendance will be recorded, but no participant will be required to register as a player after a first visit.
- Players who return regularly may join a simple progress record and later enter official competition.

05 BEGINNER SESSION STRUCTURE

Sessions will be kept simple. The purpose is to help a new player enjoy the game, understand the rules and leave knowing what to practise next.

Part	Approx. time	Content
Welcome and safety	5 minutes	How to use the table safely; respect for equipment and other players.
Basic rules	5–10 minutes	Serve, possession, spinning, restart, scoring and fair play.
First skills	15 minutes	Grip, stance, stopping the ball, controlled passing and a simple shot.
Practice game	15 minutes	Pairs or small teams using simplified rules.
Mini challenge	5–10 minutes	A short exercise or friendly competition from the ITSF material.
Next step	5 minutes	QR resources, next session date and invitation to central training if appropriate.

A standard session will normally last 45–60 minutes. University tournaments and central sessions may be longer. Coaches may adapt the order for age, group size and table availability.

Progression pathway

1 **Discover**
First contact through a school, university, event or beginner session.

2 **Return**
Regular informal play and one or more supported sessions.

3 **Develop**
Free central training, basic progress sheet and more structured exercises.

4 **Compete**
Junior, university, friendly or national ranking tournament, depending on age and level.

5 **Represent**
National team consideration and international participation when appropriate.

06 PARTICIPANT MONITORING AND ITSF PASSPORT

TFAG will use attendance sheets for organised sessions and events. This is enough for first-time and occasional participants. The ITSF Passport will not be promised to every participant during the pilot year.

Pilot approach

- Attendance sheets for all organised school, university and central sessions.

- A basic progress sheet for players who attend regularly.
- ITSF Passport use with a small group only if the resource, assessor guidance and practical support are available.
- No formal skill certificate will be issued unless the assessment process is properly understood and supervised.
- Player data will be collected only for programme administration and handled with appropriate consent, especially for minors.

07 COACHES, VOLUNTEERS AND SAFEGUARDING

The President and Vice-President lead the programme. TFAG team members and volunteers coordinate university activity and assist with sessions.

Minimum preparation before school activity

- At least two TFAG representatives trained in beginner coaching and the ITSF education material.
- A short written session plan and attendance process.
- A named school staff member present during each session.
- Written parental consent for regular participation and off-site central training.
- Separate consent for photographs and video.
- A clear contact route for concerns or incidents.
- No one-to-one unsupervised session with a minor.

TFAG will follow ITSF safeguarding principles and the applicable laws and school rules in Georgia. The programme will be adjusted if a partner institution has stricter requirements.

08 2027 PILOT PLAN

The first year is designed as a test. Targets are deliberately modest so that TFAG can learn what works before expanding.

Area	2027 action	Realistic first-year target
Universities	Install or secure tables at Free University and IBSU; monthly support visits; internal events.	2 universities; 15–25 people engaged in organised sessions or tournaments.
Schools	Add two Tbilisi schools after coach preparation and table funding.	2 schools; 10–15 pupils engaged in organised sessions.
Central sessions	One free beginner session per month at Shuffle Boar.	At least 8 sessions during the launch year; 10–15 unique beginners reached.
Continuation	Invite interested participants into regular central training.	5–10 people continue beyond their first activity.
Junior event	One combined junior development tournament using ITSF age references where numbers allow.	6–12 junior participants.
Coaches	Initial training for TFAG representatives.	At least 2 people prepared before school launch.
Materials	Translate and publish the first Georgian resources.	Basic rules, beginner guide, exercises, QR page and posters.

These numbers are minimum working targets, not promises of rapid growth. Participation may be higher where tables receive regular use, but the programme will be judged mainly by whether people return and whether institutions can keep the activity going.

Suggested university competition format

- One internal tournament at each university after an initial practice period.
- One inter-university friendly event if both groups are active and logistics allow.
- Beginner-friendly doubles formats to reduce pressure and increase participation.
- Strong or interested players invited to TFAG central tournaments rather than creating a separate permanent university league immediately.

09 TABLES, EQUIPMENT AND SPONSORSHIP

TFAG's 2027 base budget of GEL 16,000 covers running costs and GEL 6,000 for youth, school and university activity, but not the purchase of school and university tables. The grassroots programme therefore depends on additional support.

Table funding options

- Direct purchase by the university or school.
- Corporate sponsorship of one or more named table locations.
- Joint funding between the institution and a sponsor.
- Support through the ITSF 100 Foosball Tables initiative for schools or universities.

- Special purchase terms arranged through ITSF or table manufacturers.

TFAG contribution

- Programme coordination and monthly support visits.
- Balls and basic accessories for each pilot table.
- Georgian rules, QR codes and printed learning material.
- Beginner sessions and small tournaments.
- Connection to central training and official TFAG activity.

The first school and university phase is expected to require an additional GEL 3,000–5,000 per year for programme delivery, excluding table purchase. Any larger budget will be confirmed only after sponsor or institutional commitments are secured.

10 IMPLEMENTATION TIMELINE

1 **2026 – preparation**
Translate the first ITSF materials; prepare the online resource page, QR system and poster layouts; apply to relevant ITSF table initiatives; identify two TFAG coach candidates; continue negotiations with the two universities and prospective schools.

2 **2027 – Tbilisi pilot**
Launch at Free University and IBSU when tables are available; begin one free central beginner session per month; train at least two TFAG representatives; add up to two schools by year-end; hold the first junior development tournament.

3 **2028 – review and expansion**
Review attendance, continuation and table use; improve Georgian materials; support the strongest university groups towards club status; expand the number of institutions only if coaches, equipment and funding allow; prepare first activity in Kutaisi.

4 **2029 – consolidation**
Maintain a stable network of school, university and central sessions; build a junior base of 20–30 players; connect grassroots players to registration and ranking through CORAL; consider a separate girls' activity only if participation supports it.

11 EVALUATION AND REPORTING

TFAG will review the programme once a year. A short report will record what was actually delivered, what was delayed, and what should change in the following year.

Core indicators

Indicator	How it will be checked
Institutions active	Number of schools and universities with a usable table and at least one organised TFAG activity.
People reached	Unique participants recorded on attendance sheets.
Continuation	Number returning for a second activity or joining central training.
Junior participation	Number of U13, U16 and U19 participants in organised activity.
Coach capacity	Number of TFAG representatives trained and regularly delivering sessions.
Table use	Feedback from coordinators on regular informal use, maintenance and problems.
Materials	Georgian resources published, QR codes active and posters displayed.
Competition pathway	Participants entering junior, university, friendly or ranking events.
Funding	Confirmed sponsor, institution and programme contributions.

TFAG will not measure success only by the number of people who try the game once. Regular use, return participation, safe delivery and the creation of stable local groups are more important.

12 RESPONSIBILITY AND APPROVAL

Programme responsibility

Period	Responsible body
Until the 2027 elections	President Roland Kitia and Vice-President Beqa Meparishvili, supported by the TFAG team and volunteers.
After the 2027 elections	A Board member named by the Board, with trained coaches.
University coordination	Assigned TFAG team members and volunteers.
School coordination	The responsible Board member, trained coaches and a named representative of each school.

Approval

This Grassroots Programme was approved by the Sole Founder of TFAG by written decision and will be implemented in stages according to available equipment, trained people and confirmed funding.

REGISTERED	LEGAL FORM	ID NUMBER
28 February 2023	Non-commercial legal entity	404667188
REPORTING PERIOD	**PREPARED BY**	**STATUS**
2023–2025, with 2026 update	President and TFAG team	Approved by Sole Founder decision

01 REPORT BASIS

This is the first consolidated activity report of the Table Football Association of Georgia (TFAG). It covers the period from the association's registration on 28 February 2023 to 31 December 2025. A short update on work carried out in 2026 is included at the end.

TFAG's registered statute requires the President to report on the organisation's activity to the founder or the General Meeting of Founders once a year. Because no separate annual reports were prepared for the first years of operation, this document records the full period in one place without presenting any meeting or decision that did not take place.

REGISTERED NAME	LEGAL FORM	IDENTIFICATION NUMBER
Table Football Association of Georgia	Non-Entrepreneurial (Non-Commercial) Legal Entity	404667188
საქართველოს მაგიდის ფეხბურთის ასოციაცია	Registered 28 February 2023	Registered office: Tbilisi, Georgia

02 ORGANISATION AND CURRENT STRUCTURE

TFAG began operating as soon as it was registered. It is run by a small team appointed by the Sole Founder, and everyone works as a volunteer. TFAG has no employees and no rented office. It does not yet have affiliated clubs, licensed players or a formal national ranking.

PRESIDENT	Roland Kitia	VICE-PRESIDENT	Beqa Meparishvili
SECRETARY	Liza Meparishvili	TREASURER	Nugzar Dvalishvili
SOCIAL MEDIA	Nino Gvritishvili	VOLUNTEERS	Luka Chkhaberidze; Luka Makharoblishvili

At the time this report was prepared, the active community was estimated at 60–80 regular players, including around 18 women and 2 players under 18. These figures describe regular participation rather than formal registration.

Roland Kitia and Beqa Meparishvili have led TFAG since February 2023. Nugzar Dvalishvili joined in about May 2023, Liza Meparishvili and Nino Gvritishvili in about June 2023, and the volunteers Luka Chkhaberidze and Luka Makharoblishvili in about July 2023.

Gender was not recorded separately for each event during the report period. From 2027, TFAG will record gender at registration for every event.

On social media, 46% of TFAG's Facebook followers and 40% of its Instagram followers are women (Meta Insights, October 2026).

03 ACTIVITIES DELIVERED

Between 2023 and 2025, TFAG focused on making the sport visible, bringing new people to the tables and keeping the emerging community connected. The main public, festival, university and corporate events are listed below. Social media communication, tournament content and informal community play supported these larger activities.

All events were free to attend. Prizes, usually prize money and TFAG merchandise, were awarded at almost every tournament. No medals or trophies were used.

YEAR	ACTIVITY	PARTICIPATION / NOTE
2023	Bars Cup	4 participating bars; approximately 120 players
2023	Ad Black Sea Creatives Cup	Festival tournament
2023	Sport Fest beginner mixed tournament	32 players
2024	Ad Black Sea Creatives Cup	Festival tournament
2024	Legend Series	62 players
2024	Free University Tbilisi Tournament	62 players
2024	Sport Fest beginner mixed tournament	32 players
2025	Setanta Tournament	One-off tournament managed by TFAG; 32 players
2025	Sport Fest beginner mixed tournament	32 players

Community groups and informal play

Windfor's had an active table football community from the beginning of TFAG's work. Players from Bank of Georgia began joining activities gradually from 2023, including groups connected to the bank's IT and insurance-related teams. During the report period, play remained informal and event-based; TFAG's regular monthly open training programme began later, in May 2026.

University activity

The 2024 tournament at Free University of Tbilisi was TFAG's first substantial university activity. It showed that universities can become an important entry point for new players and future clubs.

04 INTERNATIONAL STATUS AND TECHNICAL DEVELOPMENT

In 2024, the International Table Soccer Federation certified the Table Football Association of Georgia as an ITSF Official National Federation and an official ITSF member for the 2024 season.

On 24 April 2024, TFAG took part with voting rights in the ITSF General Assembly, held by videoconference, represented by Roland Kitia and Beqa Meparishvili.

TFAG did not participate in international competition during the report period. No referee or coach workshops had yet been organised, and Georgia did not have formally trained table football referees or coaches. TFAG plans to build this capacity with ITSF guidance, educational resources and technical support.

05 EQUIPMENT, VENUE AND ACCESS

TFAG purchased two original Leonhart Leo Pro Tournament tables in 2023 with money donated by Roland Kitia and Beqa Meparishvili (Leonhart invoice of 12 April 2023, EUR 3,274.22; exported from Germany to Tbilisi in June 2023). In 2025, the association also bought additional parts and accessories, including extra balls, to maintain the tables and support tournament activity.

Access remained one of the association's main limitations. Suitable tables were available in only a small number of venues in Tbilisi, and there was no organised activity outside the city during the report period. A permanent playing-base partnership with Shuffle Boar began in April 2026.

06 PARTNERS AND SUPPORT

The association's work has depended on a small network of sponsors, venues, companies, festivals and educational organisations.

ORGANISATION	RELATIONSHIP
Betsson Sport	Long-term sponsor since 2023; provided important support during TFAG's launch and early development.
Windfor's	Communications partner and active player community from the beginning; supports branding, social media and communications.
Shuffle Boar	Partner venue from April 2026 and the main base for daily play, practice and community activity.
Fabrika Tbilisi, White Rabbit Bar and Rooster Bar	Friendly and supportive venues involved in earlier activity.
Free University of Tbilisi	Host of the 2024 university tournament and a planned development partner.
Ad Black Sea Festival and Sport Fest Tbilisi	Event platforms through which TFAG introduced the game to new audiences.
Bank of Georgia player groups	Two active internal groups, including players from IT and insurance-related teams; not yet formal TFAG partners.

Communication and media visibility

TFAG regularly used social media to promote table football, announce tournaments and publish photo and video content. Aftermovies and event coverage were created to show the atmosphere of the tournaments and attract new players. Partnerships with Ad Black Sea Festival and Sport Fest Tbilisi also brought wider exposure, as TFAG was named as a partner in their media materials and external communications.

07 FUNDING AND RESOURCES

TFAG was financed through founders' personal contributions, sponsored events, private and corporate tournaments, and table rentals. The organisation did not receive public sports funding during the report period.

Separate financial statements for 2023–2025 are not available; the balance on 1 January 2026 was GEL 78.59. For 1 January – 23 October 2026, the approved Financial Statement shows GEL 6,224.16 received from TFAG's activity (its net share of Fans World Cup sponsorship and table rental, via Shuffle Boar) and GEL 3,374.14 paid for activity. The founder, Roland Kitia, was reimbursed for earlier tournament costs he had paid himself and donated a net GEL 2,787.00. TFAG's bank balance on 23 October 2026 was GEL 5,715.61, and TFAG has no debts.

Table rental at Shuffle Boar is shared equally; TFAG's share for July–September, GEL 1,224.58, was received on 7 October, and earlier rental was included in the July transfers. Sponsorship amounts are not published at the sponsors' request; the full figures are in the confidential version of the Financial Statement provided to ITSF.

08 WHAT REMAINED INCOMPLETE

The first three years established an active community and a record of public events, but several parts of a national sports structure were still missing at the end of 2025.

- No official Georgian championship, cup or national ranking had been launched.
- No players had been formally registered or licensed.
- No clubs had been formally affiliated.
- No referees or coaches had completed formal training.
- No regular junior training programme had been established.
- Georgia had not yet entered international table football competitions.
- TFAG had not yet received formal recognition as a national sports federation. In 2023, TFAG met a representative of the Ministry of Sport to discuss recognition; no written application has been submitted.

09 2026 UPDATE

Work continued in 2026 with a stronger focus on formal structure and the next stage of development.

- Fans World Cup 2026 was organised with approximately 60 players, together with Shuffle Boar and sponsored by Betsson Sport.
- The Ad Black Sea Creatives Cup 2026 was held with 48 players.
- Regular monthly open training sessions and friendly tournaments began in May 2026.
- The partnership with Shuffle Boar began in April 2026, giving players a permanent place for daily practice and play.
- Dedicated lights were purchased and installed above both Leonhart tables.
- Table rental at Shuffle Boar has brought regular income since May 2026, shared equally with Shuffle Boar.
- TFAG began preparing the full ITSF/AIMS documentation package.
- A Strategic Plan, Development Programme, Grassroots Programme, Competition Calendar and National Representation Declaration were prepared and approved by Sole Founder decision, together with this report and the 2026 Financial Statement.
- TFAG confirmed plans to use ITSF's CORAL platform for player registration and rankings once access is granted.

- Statute amendments and Electoral Rules were prepared and adopted by Sole Founder decision. The statute amendments will be submitted to the Public Registry for registration. The first elective General Assembly was set for 30 January 2027.

10 NEXT STEPS

- Hold the first elective General Assembly on 30 January 2027.
- Launch player registration and two official ranking tournaments per year through CORAL, subject to ITSF access.
- Continue monthly friendlies for the wider community.
- Form the first Georgian national team and begin international participation from 2027 where funding and access allow.
- Train the first referees and coaches.
- Start university development with Free University of Tbilisi and International Black Sea University.
- Begin a school pilot in Tbilisi after at least two coaches are trained.
- Increase access to permanent and mobile tables and begin planning activity in Kutaisi.

11 APPROVAL

This report was approved by the Sole Founder of the Table Football Association of Georgia by written decision, in accordance with the registered statute.

01 PURPOSE AND BASIS

This statement presents the income, expenses and financial position of the Table Football Association of Georgia (TFAG) for the period 1 January – 23 October 2026, together with the forecast budget for 2027. It is the financial statement referred to in TFAG's Activity Report 2023–2025 (with 2026 update).

The figures are prepared on a cash basis from TFAG's two Bank of Georgia accounts and supporting records. The closing result equals the balance of those accounts on 23 October 2026. The statement was prepared by the Treasurer, Nugzar Dvalishvili, and reviewed by Nino Peradze, accountant at IFS Group LLC (review note of 28 October 2026 attached). A full-year 2026 statement will be prepared after 31 December 2026.

Plus: total received	GEL 26,324.16
Less: total paid	GEL 20,687.14
BANK BALANCE ON 23 OCTOBER 2026	GEL 5,715.61

Without the founder's transfers, TFAG received GEL 6,224.16 from its activity and paid GEL 3,374.14 for it, a surplus of GEL 2,850.02. The founder's transfers added a net GEL 2,787.00 (note 6). As a non-profit organisation, TFAG does not distribute any surplus; it is used only for the association's activities.

Balance sheet at 23 October 2026

ITEM	AMOUNT
Cash at bank (two Bank of Georgia accounts)	GEL 5,715.61
Two Leonhart tournament tables (bought April 2023 at EUR 3,274.22; see note 4)	GEL 9,070.00
TOTAL ASSETS	**GEL 14,785.61**
Liabilities (TFAG owes no money)	GEL 0.00
NET ASSETS	**GEL 14,785.61**

Notes to the statement

1. Basis. Cash basis, from TFAG's two Bank of Georgia accounts in GEL. Period 1 January – 23 October 2026; the last movement was on 22 October. Balance on 1 January 2026: GEL 78.59. Bank of Georgia's balance certificate of 26 October 2026 (No. OCSC2612401890, attached) confirms the closing balances: GEL 4,491.03 and GEL 1,224.58, together GEL 5,715.61.
2. Sponsorship. The Fans World Cup 2026 was organised together with Shuffle Boar. The event sponsorship was paid to Shuffle Boar, which paid the shared event costs, including the prize pool and video production, and transferred TFAG's remaining share. At the sponsors' request, sponsorship amounts are not published; the full figures have been provided to ITSF.
3. Table rental. Players pay to use TFAG's tables at Shuffle Boar. This income is shared equally with Shuffle Boar, which transfers TFAG's share; GEL 1,224.58 was received on 7 October.
4. Equipment. The two Leonhart Leo Pro Tournament tables were bought in 2023 with money donated by Roland Kitia and Beqa Meparishvili; the donation does not have to be repaid. Leonhart invoice RE20008946 of 12 April 2023, addressed to TFAG, shows EUR 3,274.22 for the two tables, accessories, balls and packaging. They are shown at about GEL 9,070, converted at the April 2023 rate of about 2.77 GEL/EUR. Transport to Georgia and customs costs were not recorded and are not included.
5. People. All TFAG team members work as volunteers. TFAG has no employees and pays no salaries. The only payment to a person for services in the period was GEL 800 to Nino Gvritishvili for photo and video services (16 July); the camera was lent free of charge.
6. Founder. Roland Kitia paid costs of earlier TFAG tournaments (prizes, merch, transport, equipment) from his own money and was reimbursed GEL 17,313.00. He also transferred GEL 20,100.00 to TFAG. The net GEL 2,787.00 is his donation; TFAG does not owe him anything.
7. Premises. TFAG pays no rent. Its base is Shuffle Boar, which provides space in return for the community and activity TFAG brings.
8. Liabilities. TFAG has no loans or unpaid bills. Non-profit status: Article 1.7 of the registered statute forbids distributing profit to the founder, donors or management, and Article 4.7 forbids distributing remaining property to founders on liquidation.
9. Earlier years. Separate financial statements for 2023–2025 are not available. During those years activity was funded mainly by founders' donations and sponsored events. The balance on 1 January 2026 was GEL 78.59.

10. Tax. TFAG files monthly declarations on rs.ge. The Revenue Service certificate of 23 October 2026 shows no tax debt (a small overpayment of GEL 3.11); it is attached.

11. Review. Prepared and signed by the Treasurer, Nugzar Dvalishvili. Reviewed by Nino Peradze, accountant at IFS Group LLC, who is not a member of TFAG's team and did not prepare the statement; her signed review note of 28 October 2026 is attached. This is a review, not an audit.

03 ITEMS CARRIED FORWARD FROM 2026

The purchase of two additional Leonhart Leo Tournament tables was planned for 2026 but was not completed because the required funding was not secured. The full purchase and delivery estimate has therefore been carried forward into the 2027 forecast.

No youth, school or university development programme expenses were included in the 2026 operating figures. A separate development allocation has been added for 2027.

04 2027 FORECAST BUDGET

05 2027 FUNDING APPROACH

At the date of this statement, the full 2027 income budget has not been confirmed. TFAG will seek a mix of sponsorship, partner contributions, founders' contributions, corporate tournament income, table rentals, equipment support and other lawful funding.

- The GEL 6,000 youth, school and university programme should be supported by a dedicated development sponsor where possible.
- The two-table purchase requires dedicated equipment funding or favourable purchase support from ITSF, a manufacturer or a commercial partner.
- International participation requires a separate sponsor and will not proceed from the core operating budget.
- The money in TFAG's account (GEL 5,715.61 on 23 October 2026) will be carried into 2027 and used for TFAG's activities.

06 BUDGET ASSUMPTIONS AND NOTES

- The planning estimate for the two tables is GEL 9,000, based on an expected VAT-free export price from Germany.
- International transport of GEL 2,500 is a planning estimate. A formal freight quotation is required once the packaged dimensions, pickup address and delivery terms are confirmed.
- The GEL 2,500 customs allocation is intended to cover import VAT, clearance and brokerage. The final customs classification and any import duty must be confirmed before purchase.
- TFAG has no employees and the team works as volunteers. No salaries are planned. Fees are paid only for specific work at sponsored events, when the event budget covers them.
- The development allocation covers programme delivery but not permanent table purchases for schools and universities.
- The 2027 forecast should be reviewed when sponsorship, equipment support or international tournament plans are confirmed.

07 FINANCIAL CONTROLS AND REVIEW

- The Treasurer should maintain supporting invoices, receipts, contracts and bank records for all material income and expenses.
- Any movement between budget categories should be documented and approved by the President or the Sole Founder, depending on the amount and legal requirement.
- The purchase of the additional tables should proceed only after the purchase price, export terms, freight cost and customs treatment are confirmed in writing.
- Separate budgets and sponsor agreements should be prepared for international participation before any travel commitment is made.
- A full-year 2026 statement, reviewed by an accountant, and an updated 2027 budget will be prepared after 31 December 2026.

08 APPROVAL

This statement and the 2027 forecast budget were approved by the Sole Founder of TFAG by written decision, and signed by the Treasurer. TFAG does not yet have an elected Board or General Assembly; until the first elective General Assembly on 30 January 2027, the Sole Founder approves them in their place.

Two	Monthly	Approved by Sole Founder decision

01 PURPOSE

This document records TFAG's main competition activity from 2023 to 2026 and sets out a provisional national calendar for 2027. The 2027 dates are planning windows rather than final event dates. They will be confirmed after the ITSF international calendar, CORAL access, venue availability and sponsorship are settled.

All events were free to attend. Prizes, usually prize money and TFAG merchandise, were awarded at almost every tournament. No national championship has been held yet; the first official ranking tournaments are planned for 2027.

The calendar separates monthly friendlies from official ranking events. Monthly events support regular play and community development, while the two national ranking tournaments will produce the first official Georgian ranking once the CORAL system is available.

02 COMPETITION ACTIVITY 2023-2026

YEAR	EVENT	PARTICIPATION / NOTE	TYPE
2023	Bars Cup	4 participating bars; approximately 120 players	Community / promotional
2023	Ad Black Sea Creatives Cup	Festival tournament	Promotional
2023	Sport Fest beginner mixed tournament	32 players	Beginner / promotional
2024	Ad Black Sea Creatives Cup	Festival tournament	Promotional
2024	Legend Series	62 players	Competitive community event
2024	Free University Tbilisi Tournament	62 players	University
2024	Sport Fest beginner mixed tournament	32 players	Beginner / promotional
2025	Setanta Tournament	One-off event managed by TFAG; 32 players	Corporate
2025	Sport Fest beginner mixed tournament	32 players	Beginner / promotional
2026	Fans World Cup	Approximately 60 players	Public tournament
2026	Ad Black Sea Creatives Cup	48 players	Festival Tournament
2026	Monthly open training and friendly play	Regularly from May	Non-ranking

03 PROVISIONAL 2027 CALENDAR

PLANNING WINDOW	EVENT	FREQUENCY	PURPOSE	STATUS
February-December	Monthly Friendly Tournament	Once per month	Community play, practice and beginner access	Non-ranking
Late March	National Ranking Tournament No. 1	One weekend	First official ranking event and provisional national squad assessment	Official ranking
April	Free University Tbilisi Tournament	One day	University participation and recruitment	University
June	International Black Sea University Tournament	One day	University participation and recruitment	University
Late July	National Ranking Tournament No. 2	One weekend	Second official ranking event and annual national ranking	Official ranking
September–December	School Pilot Activities	Monthly visits as agreed	Training, demonstrations and internal school play	Development
October	Inter-University Tournament	One day	Competition between university groups	University
November	Junior Development Tournament	One day	First combined junior event; age categories separated where numbers allow	Junior
May-June or September–October	ITSF International Tournament Participation	One event	Participation subject to official calendar and dedicated sponsorship	International

04 TIMING OF RANKING TOURNAMENTS

The first ranking tournament is scheduled for late March, approximately two months before the usual late-spring international tournament period. The second ranking tournament is scheduled for late July, approximately two months before the usual autumn international tournament period.

These dates are provisional. If ITSF publishes materially different 2027 dates, TFAG may move either ranking tournament so that players have roughly two months between the national event and the intended international competition.

05 RANKING AND NATIONAL TEAM SELECTION

- Results from both ranking tournaments will be entered in CORAL once TFAG receives access.
- TFAG will publish the competition rules, points system, results and standings before the first ranking event.

- The annual national ranking will be based on the combined results of both official ranking tournaments.
- If an international event takes place before the second ranking tournament, TFAG may name a provisional squad based on the first ranking event and other published sporting criteria.
- After the second ranking tournament, the national squad may be confirmed or updated using the complete annual ranking.
- International participation will proceed only when dedicated sponsorship covers the agreed travel and participation costs.

06 EVENT CATEGORIES

EVENT TYPE	PROPOSED CATEGORIES / FORMAT
Monthly friendlies	Mixed formats depending on attendance; beginner-friendly formats may be used.
National ranking tournaments	Singles and doubles as the core disciplines; additional categories introduced where participation permits.
University tournaments	Open student competition; singles, doubles or team formats depending on the host institution.
Junior Development Tournament	U13, U16 and U19 for official alignment; groups may be combined for play when numbers are small, with separate standings where possible.
International participation	Categories determined by the selected ITSF event and available qualified players.

07 ORGANISATION AND RESPONSIBILITY

RESPONSIBLE BODY	MAIN ROLE
Roland Kitia and Beqa Meparishvili	Competition formats, rules, calendar, CORAL administration, results and rankings.
Roland Kitia and Beqa Meparishvili (until trained referees are available)	Officials, rules support and technical preparation.
Roland Kitia and Beqa Meparishvili	Junior tournament, school activity and participant pathway.
Nino Gvritishvili (social media) and Beqa Meparishvili (website)	Promotion, sponsors, media content and partner coordination.
President (Board after 30 January 2027)	Final approval, budget, venue agreements and international participation decisions.

08 REVIEW AND APPROVAL

The 2027 calendar will be reviewed after the official ITSF dates are published and after TFAG confirms CORAL access, sponsor support and venue availability. Any change will be recorded and communicated to affiliated clubs and players.

Follower figures are as of 22 October 2026 and will naturally change over time.

Reach (Meta Insights): Facebook – 34,400 people reached from 1 January to 22 October 2026, and 26 new follows; in 2025 Meta shows 3,500 views and 15 new follows (reach is not available for that period). Instagram – 6,887 accounts reached in 2026 (112 followers and 6,775 non-followers) and 73 new follows; in 2025 the account had a reach of 18, as it was only just launched.

Followers by gender (Meta Insights, October 2026): Facebook 46% women and 54% men; Instagram 40% women and 60% men. On both, most followers are aged 25–44.

Website tfageorgia.com (Wix analytics): 715 unique visitors and 964 sessions from 1 January to 23 October 2026; 165 unique visitors and 177 sessions in 2025.

03 PUBLISHING PRACTICE

TFAG's publishing frequency follows the level of activity. During months with a tournament, approximately five to six social media posts are published. During quieter periods, TFAG normally publishes approximately once per month.

PERIOD	CURRENT RHYTHM	TYPICAL CONTENT
Tournament month	Approximately 5-6 posts	Announcement, registration call, reminders, participant information, event coverage, results, photographs, video and aftermovie
Month without a tournament	Approximately 1 post	Association updates, player stories, educational information, partner news or promotion of regular training

04 CONTENT PRIORITIES

- Tournament announcements, registration information, schedules and practical details.
- Results, winners, rankings and photographs after each official event.
- Short video highlights, reels and event aftermovies.
- Promotion of monthly open training and beginner opportunities.
- Educational content on basic rules, table technique, exercises and fair play.
- Youth, university and school programme updates from 2027.
- National team and international participation updates when sponsorship is secured.
- Recognition of sponsors, venues, volunteers and supporting organisations.

05 WEBSITE RELAUNCH AND CORAL INTEGRATION

An updated version of the TFAG website is ready to be launched. TFAG is waiting for ITSF CORAL access so that the new version can include official player registration, competition results and rankings in a coherent way.

Once the updated ranking system is available, the website will become the main official source for federation information. Social media will continue to direct players and the public to the relevant website pages.

WEBSITE SECTION	PLANNED CONTENT
News and calendar	Competition announcements, schedules, reports and upcoming federation activity
Results and rankings	Official results and national rankings connected to CORAL where technically possible
Players and clubs	Registered player and affiliated club information within appropriate privacy limits
Rules and education	Georgian-language basic rules, beginner guides, exercises, posters and downloadable material
Governance and transparency	Statute, strategy, activity reports, financial documents, election information and approved decisions
Partners and contact	Sponsors, supporting venues, institutional relationships and federation contact information

06 YOUTUBE PLAN FOR 2027

TFAG plans to launch an official YouTube channel during 2027. It will serve as the federation's long-form video archive rather than duplicating every social media post.

- Full or edited match recordings from ranking tournaments and selected events.
- Training sessions and technical demonstrations.
- Beginner and educational videos in Georgian.
- Tournament highlights and short recap films.
- Event aftermovies and interviews with players, organisers and partners.

The exact launch date will depend on the 2027 competition calendar, recording capacity and available content.

07 PUBLIC DOCUMENTS AND TRANSPARENCY

With the launch of the updated website and ranking system, TFAG commits to creating a public governance and documents section. Only approved and appropriate versions will be published.

DOCUMENT / INFORMATION	PUBLICATION POINT
Registered statute and later amendments	After legal adoption and registration
Strategic Plan 2026-2029	Approved public version
Development and Grassroots Programmes	Approved public versions
Annual Activity Report	After approval
Annual financial statement and forecast budget	After approval; sensitive supporting records remain internal
National Competition Calendar	Current approved version
Election notice, rules and results	Published according to the election timetable
Official rankings and competition results	After CORAL access and launch of official ranking events

08 RESPONSIBILITIES AND WORKFLOW

RESPONSIBLE PERSON / BODY	ROLE
Nino Gvritishvili	Social media management, publishing, event content coordination and channel consistency
Beqa Meparishvili	Website management, updated website launch and coordination of CORAL/ranking integration
Roland Kitia and Beqa Meparishvili	Providing approved schedules, results, rankings and technical competition information
President (Board after 30 January 2027)	Approval of official statements, governance documents, sensitive information and major announcements

09 2027 PRIORITIES AND MEASURES

PRIORITY	TARGET / INDICATOR
Launch the updated website	After CORAL access and technical integration are available
Launch official YouTube channel	During 2027
Publish official results and rankings	After each ranking tournament
Maintain tournament-month activity	Approximately 5–6 posts in active months
Maintain baseline communication	At least one meaningful update in quieter months
Create educational video and written material	Initial Georgian-language content during 2027
Open a public governance section	Alongside the updated website launch
Archive competition media	Organised photographs, videos, aftermovies and key results from official events

10 REVIEW AND APPROVAL

This plan will be reviewed after the updated website and CORAL system are launched. Audience figures and publishing frequency will be updated in the next annual activity report.

არასამეწარმეო (არაკომერციული) იურიდიული პირის

წესდება

მუხლი 1. ზოგადი დებულებები

1. არასამეწარმეო (არაკომერციული) იურიდიული პირი არის საქართველოს სამოქალაქო კოდექსის შესაბამისად შექმნილი იურიდიული პირი (შემდგომ – ორგანიზაცია), რომელიც მოქმედებს საქართველოს კონსტიტუციის, კანონმდებლობისა და ამ წესდების შესაბამისად.
2. ეს წესდება წარმოადგენს ორგანიზაციის დამფუძნებელთა შორის დადებული სადამფუძნებლო შეთანხმების ნაწილს, რომელიც გამოხატავს მათ ურთიერთთანმხვედრ ნებას და სავალდებულო ძალის მქონეა დამფუძნებლებისთვის.
3. ორგანიზაცია წარმოშობილად ითვლება და იურიდიული პირის სტატუსს იძენს მეწარმეთა და არასამეწარმეო (არაკომერციული) იურიდიული პირების რეესტრში რეგისტრაციის მომენტიდან.
4. ორგანიზაცია თავისი ხელმძღვანელობისა და წარმომადგენლობითი უფლებამოსილების მქონე პირის (პირების) მდგომარეობისაგან დამოუკიდებელია. ორგანიზაციის პასუხისმგებლობა კრედიტორების წინაშე შემოიფარგლება მთელი თავისი ქონებით.
5. ორგანიზაციის ვალდებულებებისათვის მისი დამფუძნებელი, ხელმძღვანელობასა და წარმომადგენლობაზე უფლებამოსილი პირი (პირები) პასუხს არ აგებს.
6. ორგანიზაცია პასუხს არ აგებს თავისი დამფუძნებლების, ხელმძღვანელობასა და წარმომადგენლობაზე უფლებამოსილი პირის (პირების) ვალდებულებებისთვის.
7. ორგანიზაციის მიზანია არასამეწარმეო (არაკომერციული) საქმიანობა, ამავდროულად ის უფლებამოსილია ეწეოდეს დამხმარე ხასიათის სამეწარმეო საქმიანობას, რომლიდან მიღებული მოგებაც უნდა მოხმარდეს მისი მიზნების რეალიზებას. ასეთი საქმიანობის შედეგად მიღებული მოგების განაწილება ორგანიზაციის დამფუძნებლებს, შემომწირველებს, აგრეთვე, ხელმძღვანელობასა და წარმომადგენლობაზე უფლებამოსილ პირებს შორის დაუშვებელია. ორგანიზაცია უფლებამოსილია მისი საქმიანობის განსახორციელებლად შეიძინოს/მიიღოს მატერიალური და არამატერიალური ქონება, მათ შორის, შემოწირულობები.
8. ორგანიზაციის საკუთრებაში არსებული ქონების გასხვისება შესაძლებელია, თუ გასხვისება ემსახურება ორგანიზაციის საქმიანობას, მის ორგანიზაციულ განვითარებას, ხელს უწყობს მისი მიზნების განხორციელებას ან ემსახურება საქველმოქმედო მიზნებს.
9. ორგანიზაციას თავისი მიზნების მისაღწევად უფლება აქვს განახორციელოს კანონით აუკრძალავი ნებისმიერი საქმიანობა, მიუხედავად იმისა, არის თუ არა ეს საქმიანობა წინამდებარე წესდებით გათვალისწინებული.

10. ორგანიზაციის მიმართ ვრცელდება „მეწარმეთა შესახებ“ საქართველოს კანონის მე-17 მუხლით საქმიანი წერილისა და ვებგვერდისთვის დადგენილი წესები.

მუხლი 2. დამფუძნებელთა მიერ ორგანიზაციის მართვა

1. ორგანიზაციის უმაღლეს მმართველობით ორგანოს წარმოადგენს დამფუძნებელთა საერთო კრება (შემდგომ – საერთო კრება). საერთო კრება (მორიგი საერთო კრება) ტარდება წელიწადში ერთხელ მაინც, რომელზეც განიხილება წლიური შედეგები და დღის წესრიგით გათვალისწინებული საკითხები. სხვა შემთხვევებში ტარდება რიგგარეშე საერთო კრება.
2. საერთო კრების მოწვევის უფლება აქვთ როგორც საერთო კრების ერთ ან რამდენიმე წევრს, ისე ორგანიზაციის ხელმძღვანელობასა და წარმომადგენლობაზე უფლებამოსილ პირს/პირებს. საერთო კრება გადაწყვეტილებაუნარიანია, თუ მას ესწრება საერთო კრების სრული შემადგენლობის ნახევარზე მეტი. კრებაზე გადაწყვეტილება მიღებულად ჩაითვლება, თუ განსახილველ საკითხს მხარს დაუჭერს დამსწრეთა ნახევარზე მეტი (50 %-ს პლიუს 1 ხმა).
3. საერთო კრება ტარდება მისი მოწვევის შესახებ შეტყობინების გამოქვეყნებიდან ან წევრთათვის მოსაწვევის გაგზავნიდან სულ ცოტა 14 დღის შემდეგ. მოსაწვევის გაგზავნა შესაძლებელია დაზღვეული წერილით ან კომუნიკაციის სხვა საშუალებით, რომელიც იძლევა ადრესატის მიერ ინფორმაციის მიღების დადასტურების საშუალებას. საერთო კრების მოწვევის შესახებ შეტყობინების გამოქვეყნებად მიიჩნევა საერთო კრების მოწვევის თაობაზე ინფორმაციის ერთიანი ელექტრონული პორტალის სუბიექტის ავტორიზებული მომხმარებლის გვერდზე (ელექტრონულ მისამართზე) განთავსება. მოსაწვევი უნდა შეიცავდეს საერთო კრების დღის წესრიგს. მოწვევის მიღებიდან 3 დღის ვადაში საერთო კრების წევრებს შეუძლიათ დღის წესრიგში დამატებების შეტანა. საერთო კრების ჩატარების ადგილი და დრო გაუმართლებლად არ უნდა ზღუდავდეს დამფუძნებელთა კრებაში მონაწილეობის უფლებას.
4. თუ საერთო კრებას ყველა დამფუძნებელი ესწრება და ისინი თანახმა არიან საერთო კრების ჩატარებასა და გადაწყვეტილების მიღებაზე, საერთო კრების ჩატარება შესაძლებელია იმ შემთხვევაშიც, თუ საერთო კრების მოწვევის კანონით ან/და ამ წესდებით დადგენილი წესები არ იქნა დაცული. დამფუძნებლის თანხმობად მიიჩნევა, თუ იგი არ მოითხოვს საერთო კრების სხვა დროს ჩატარებას მისი მოწვევის პროცედურის დარღვევის გამო.
5. საერთო კრების სათანადოდ მოწვევასა და ჩატარებაზე პასუხისმგებელია საერთო კრების მომწვევი პირი/პირები. საერთო კრების მიერ თავისი კომპეტენციის ფარგლებში მიღებული გადაწყვეტილების შესრულება სავალდებულოა ორგანიზაციის ყველა დამფუძნებლისა და მმართველობითი ორგანოსათვის. საერთო კრება გადაწყვეტილებას იღებს იმ საკითხზე, რომელიც წესდებით საერთო კრების უფლებამოსილებას განეკუთვნება.
6. საერთო კრების თავმჯდომარის არჩევამდე ან იმ შემთხვევაში, თუ საერთო კრების თავმჯდომარე არ იქნა არჩეული, კრებას თავმჯდომარეობს მისი მომწვევი პირი ან ორგანიზაციის ხელმძღვანელი.

7. საერთო კრება ირჩევს საერთო კრების თავმჯდომარეს კრებაზე დამსწრე დამფუძნებელთა ხმათა უმრავლესობით. საერთო კრების მიმდინარეობას ხელმძღვანელობს, ოქმს ადგენს და ხელს აწერს საერთო კრების თავმჯდომარე, ხოლო ამ მუხლის მე-6 პუნქტით გათვალისწინებულ შემთხვევაში – შესაბამისი პირი.
8. საერთო კრების ოქმში უნდა აღინიშნოს:
   ა) ორგანიზაციის საფირმო სახელწოდება და საიდენტიფიკაციო ნომერი;
   ბ) საერთო კრების ჩატარების ადგილი და თარიღი;
   გ) მითითება საერთო კრების მოწვევის პროცედურის დაცვასა და ამ კრების გადაწყვეტილებაუნარიანობაზე;
   დ) საერთო კრების თავმჯდომარის საიდენტიფიკაციო მონაცემები;
   ე) საერთო კრების დღის წესრიგი, საერთო კრების გადაწყვეტილება, კენჭისყრის შედეგების მითითებით.
9. თუ ორგანიზაციას ერთი დამფუძნებელი ჰყავს, დამფუძნებელთა საერთო კრების უფლებამოსილებას ის ახორციელებს. ამგვარი უფლებამოსილების ფარგლებში მიღებული გადაწყვეტილება წერილობით ფორმდება.
10. დამფუძნებელთა კრების კომპეტენციას განეკუთვნება შემდეგი საკითხები:
    ა) ორგანიზაციის მიზნებიდან გამომდინარე, ორგანიზაციის საქმიანობის შესახებ გადაწყვეტილების მიღება;
    ბ) ორგანიზაციის მიერ ვალდებულების აღება, ქონების შეძენა/გასხვისება/უფლებრივად დატვირთვა;
    გ) ორგანიზაციის გაწევრიანება სხვა იურიდიულ პირებში ან მისი პარტნიორად/დამფუძნებლად შესვლა;
    დ) ორგანიზაციის წესდებაში ცვლილება/წესდების ახალი რედაქციის მიღება, შინაგანაწესის დამტკიცება;
    ე) ორგანიზაციის ხელმძღვანელობაზე/წარმომადგენლობაზე უფლებამოსილი პირის დანიშვნა;
    ვ) ორგანიზაციის და მის მიერ დაფუძნებული იურიდიული პირების რეორგანიზაცია/ლიკვიდაცია.

მუხლი 3. ორგანიზაციის ხელმძღვანელობა/წარმომადგენლობა

1. ორგანიზაციის ხელმძღვანელობასა და წარმომადგენლობაზე უფლებამოსილი პირია პრეზიდენტი. პრეზიდენტი დამფუძნებლის/დამფუძნებელთა კრების მიერ ინიშნება არაუმეტეს 3 წლის ვადით, ხელახლა დანიშვნის უფლებით. თუ ამ ვადის ამოწურვის შემდეგ კანონით დადგენილი წესით არ განხორციელდება მისი უფლებამოსილების ახალი ვადის ან ხელმძღვანელობასა და წარმომადგენლობაზე უფლებამოსილი პირის ცვლილების რეგისტრაცია, რეგისტრირებული პრეზიდენტის უფლებამოსილება განუსაზღვრელი ვადით გაგრძელებულად მიიჩნევა.
2. ხელმძღვანელობითი უფლებამოსილება გულისხმობს უფლებამოსილების ფარგლებში ორგანიზაციის სახელით გადაწყვეტილებების მიღებას. პრეზიდენტი თავის ხელმძღვანელობით უფლებამოსილებას ახორციელებს მოქმედი კანონმდებლობის, ამ წესდებისა და შინაგანაწესის (ასეთის არსებობის შემთხვევაში) შესაბამისად.

3. წარმომადგენლობითი უფლებამოსილება გულისხმობს ორგანიზაციის სახელით გამოსვლას მესამე პირებთან ურთიერთობაში. პრეზიდენტს აქვს ერთპიროვნული წარმომადგენლობითი უფლებამოსილება. ამასთან, თუ ორგანიზაციას ერთზე მეტი წარმომადგენლობაზე და ხელმძღვანელობაზე უფლებამოსილი პირი ჰყავს, ისინი წარმომადგენლობით უფლებამოსილებას ახორციელებენ სადამფუძნებლო შეთანხმებით განსაზღვრული წესის შესაბამისად.
4. უფლებამოსილების ფარგლებში პრეზიდენტს აქვს უფლება ორგანიზაციის სახელით დადოს გარიგებები, აწარმოოს მოლაპარაკებები, გამოვიდეს სასამართლოში მოსარჩელედ/მოპასუხედ, მიიღოს ორგანიზაციაში თანამშრომლები, გააფორმოს მათთან ხელშეკრულება და გადაწყვიტოს საკადრო საკითხები. პრეზიდენტი უფლებამოსილია განახორციელოს მხოლოდ ის მოქმედება, რომელიც ემსახურება ორგანიზაციის მიზნებს და არ აყენებს მას ზიანს. იგი ვალდებულია ორგანიზაციის საქმეებს გაუძღვეს მართლზომიერად და კეთილსინდისიერად. ამ მოვალეობის შეუსრულებლობის შემთხვევაში, პრეზიდენტი არასამეწარმეო (არაკომერციული) იურიდიული პირის წინაშე პასუხისმგებელია წარმოშობილი ზიანისათვის. ზიანის ანაზღაურების მოთხოვნაზე უარის თქმა ბათილია, თუ ეს აუცილებელია მესამე პირთა მოთხოვნების დასაკმაყოფილებლად. პრეზიდენტის ხელმძღვანელობითი უფლებამოსილება შეიძლება შეიზღუდოს სადამფუძნებლო შეთანხმებით.
5. დამფუძნებელს/დამფუძნებელთა საერთო კრებას შეუძლია ნებისმიერ დროს გაათავისუფლოს პრეზიდენტი თანამდებობიდან შესაბამისი საფუძვლის მითითების გარეშე.
6. პრეზიდენტს უფლება აქვს გადადგეს თანამდებობიდან. ამ შემთხვევაში, პრეზიდენტი ვალდებულია დაიცვას ორგანიზაციასთან დადებული სასამსახურო ხელშეკრულებითა და მოქმედი კანონმდებლობით განსაზღვრული მოთხოვნები და პროცედურები.
7. პრეზიდენტი ვალდებულია წელიწადში ერთხელ დამფუძნებელს/დამფუძნებელთა საერთო კრებას წარუდგინოს ორგანიზაციის საქმიანობის ანგარიში.

მუხლი 4. ორგანიზაციის სამართლებრივი ფორმის შეცვლა, რეორგანიზაცია, შერწყმა და ლიკვიდაცია

1. ორგანიზაციის სამართლებრივი ფორმის შეცვლა დაუშვებელია, გარდა იმ შემთხვევისა, როდესაც სამართლებრივი ფორმის შეცვლით იგი საჯარო სამართლის იურიდიულ პირად გარდაიქმნება.
2. ორგანიზაციის გაყოფა (დაყოფა, გამოყოფა), შერწყმა (გაერთიანება, მიერთება) და ლიკვიდაცია ხორციელდება მეწარმე სუბიექტის ლიკვიდაციისათვის/რეორგანიზაციისათვის საქართველოს კანონმდებლობით დადგენილი წესით.
3. ორგანიზაციის რეორგანიზაციისა და ლიკვიდაციის, ასევე, ლიკვიდატორის დანიშვნის შესახებ გადაწყვეტილებას იღებს დამფუძნებელი/დამფუძნებელთა საერთო კრება.
4. ლიკვიდაციის დროს უნდა დასრულდეს მიმდინარე საქმეები, დადგინდეს კრედიტორთა მოთხოვნები, დარჩენილი ქონება გამოიხატოს ფულში, დაკმაყოფილდნენ კრედიტორები

და დარჩენილი ქონება გაუნაწილდეს დამფუძნებლის/დამფუძნებელთა საერთო კრების მიერ განსაზღვრულ ლიკვიდაციის შედეგად დარჩენილი ქონების მიღებაზე უფლებამოსილ პირებს.

5. გადაწყვეტილება ორგანიზაციის ლიკვიდაციის პროცესის დაწყების შესახებ უნდა დარეგისტრირდეს მეწარმეთა და არასამეწარმეო (არაკომერციული) იურიდიული პირების რეესტრში. ლიკვიდაციის პროცესი დაწყებულად ითვლება ორგანიზაციის ლიკვიდაციის დაწყების შესახებ ინფორმაციის რეესტრში რეგისტრაციის მომენტიდან.
6. ლიკვიდაციის შედეგად დარჩენილი ქონების მიღებაზე უფლებამოსილ პირებს განსაზღვრავს საერთო კრება. ორგანიზაციის ლიკვიდაციისას ქონების გასხვისება შესაძლებელია, თუ:
   ა) იგი ხელს შეუწყობს მის მიერ დასახული მიზნების განხორციელებას;
   ბ) იგი ემსახურება საქველმოქმედო მიზნებს;
   გ) ქონება გადაეცემა სხვა არასამეწარმეო (არაკომერციულ) იურიდიულ პირს.
7. აკრძალულია ლიკვიდაციის შედეგად დარჩენილი ქონების განაწილება დამფუძნებლებს, ხელმძღვანელობასა და წარმომადგენლობაზე უფლებამოსილ პირებს შორის.
8. თუ დამფუძნებელმა/დამფუძნებელთა საერთო კრებამ არ განსაზღვრა ლიკვიდაციის შედეგად დარჩენილი ქონების მიღებაზე უფლებამოსილი პირი, სასამართლო ორგანიზაციის ლიკვიდაციის შედეგად დარჩენილ ქონებას გადასცემს შესაბამისად ერთ ან რამდენიმე არასამეწარმეო (არაკომერციულ) იურიდიულ პირს, რომლებსაც აქვთ იგივე ან მსგავსი მიზნები, როგორიც ლიკვიდირებულ ორგანიზაციას. თუ ასეთი არასამეწარმეო (არაკომერციული) იურიდიული პირი არ არსებობს ან შეუძლებელია მისი გამოვლენა, შეიძლება მიღებულ იქნეს გადაწყვეტილება ამ ქონების სახელმწიფოსათვის გადაცემის შესახებ. სასამართლომ ქონება შეიძლება გაანაწილოს ლიკვიდაციის პროცესის დაწყების რეგისტრაციიდან 6 თვის შემდეგ.
9. სისხლის სამართლის საქმეზე კანონიერ ძალაში შესული სასამართლოს გამამტყუნებელი განაჩენის საფუძველზე ორგანიზაციის ლიკვიდაციას ახორციელებს (ახორციელებენ) სასამართლოს მიერ დანიშნული ლიკვიდატორი (ლიკვიდატორები). აკრძალულია ორგანიზაციის მიმართ სალიკვიდაციო და რეორგანიზაციასთან დაკავშირებული პროცედურების განხორციელება მის მიმართ სისხლის სამართლის საქმის წარმოების დაწყების მომენტიდან სასამართლოს გამამტყუნებელი განაჩენის კანონიერ ძალაში შესვლამდე ან სისხლის სამართლის საქმის წარმოების შეწყვეტამდე.

მუხლი 5. დასკვნითი დებულებები

1. ამ წესდების რომელიმე დებულების ბათილად ცნობა გავლენას არ მოახდენს წესდების სხვა დებულებების ნამდვილობაზე.

TABLE FOOTBALL ASSOCIATION OF GEORGIA

საქართველოს მაგიდის ფეხბურთის ასოციაცია

REGISTERED	LEGAL FORM	ID NUMBER
28 February 2023	Non-commercial legal entity	404667188
CURRENT STATUTE	**FIRST ELECTION**	**STATUS**
Registered 28 February 2023	30 January 2027	Adopted by Sole Founder decision

01 PURPOSE AND LEGAL STATUS

This document sets out the amendments to the registered statute of the Table Football Association of Georgia adopted by the Sole Founder by written decision. This is the English version. The Georgian-language text will be submitted to the National Agency of Public Registry.

The amendments take legal effect after registration. Until then, the current registered statute remains in force. The registered Georgian text prevails.

02 NEW ARTICLE: MEMBERSHIP AND AFFILIATED CLUBS

2.1 TFAG may admit affiliated table football clubs as members of the association.

2.2 An affiliated club may be an independent legal entity or an organised table football section operating within a company, university, school, venue or other legal entity, subject to approval by TFAG.

2.3 A club applies in writing, identifies its representative, submits its player list and accepts TFAG and ITSF statutes, rules and decisions.

2.4 The Board decides on applications. Before the first elected Board takes office, this power is exercised by the Sole Founder or President acting under the Founder's written authority.

2.5 Each player may be registered with only one club during the same season.

2.6 An affiliated club must maintain real table football activity and keep its membership information current.

2.7 A club may resign in writing. Membership may be suspended or terminated for serious or repeated breach of TFAG rules, subject to a fair opportunity to respond.

2.8 Membership fees and player registration fees, if introduced, are approved by the General Assembly.

03 REPLACEMENT ARTICLE: GENERAL ASSEMBLY

3.1 After the first elective General Assembly, the General Assembly of affiliated clubs is the highest governing body of TFAG.

3.2 Each eligible affiliated club has one vote, exercised by its designated representative.

3.3 A club must have at least four active registered players to exercise voting rights.

3.4 The ordinary General Assembly is held at least once each year to review the activity report, financial statement, budget and other agenda items.

3.5 The President or Board convenes the General Assembly. At least one-third of eligible clubs may request an extraordinary meeting.

3.6 Ordinary meeting notice is sent at least 14 days in advance and includes the agenda. An elective meeting follows the longer deadlines in the Electoral Rules.

3.7 Quorum is more than half of eligible voting clubs. If quorum is not reached, the meeting may be reconvened 24 hours later with the same agenda and may proceed with those represented.

3.8 Decisions are adopted by a simple majority of valid votes cast unless the statute requires a larger majority.

3.9 Votes concerning persons are secret. Other votes are by show of hands or recorded electronic vote unless a secret ballot is requested.

3.10 The General Assembly approves annual reports and budgets, elects the President and the other Board members, sets fees, amends the statute and decides on reorganisation or liquidation.

3.11 Minutes record the organisation's name and identification number, date and place, notice and quorum, Chair, agenda, decisions and voting results.

3.12 The General Assembly may be held in person, online or in hybrid form if participants can be identified and voting can be recorded.

04 REPLACEMENT ARTICLE: PRESIDENT AND BOARD

4.1 The Board consists of five members: the President, Vice-President, Secretary, Treasurer and one Board Member.

4.2 All five Board members are elected by the General Assembly for four years and may be re-elected.

4.3 The President is the person authorised to manage and represent TFAG and has individual representative authority unless the registered statute or a registered decision provides otherwise.

4.4 The President leads day-to-day activity, signs agreements, coordinates the team and volunteers, represents TFAG before third parties and implements the decisions of the General Assembly and Board.

4.5 The Board sets operational policy, approves competition and development procedures, admits clubs, oversees finances and creates working rules consistent with the statute.

4.6 The Board meets at least twice each year and may meet online. Quorum is more than half of its members.

4.7 Board decisions are adopted by simple majority. If the votes are tied, the proposal is not adopted.

4.8 A vacancy on the Board may be filled temporarily by the Board until the next General Assembly.

4.9 If the Presidency becomes vacant, the Vice-President acts until an election is held at the next General Assembly.

05 NEW ARTICLE: COMMITTEES AND TEAM TASKS

5.1 TFAG has no standing committees. The Board gives tasks to named Board members, team members or volunteers.

5.2 When activity grows, the Board may create a committee by written decision, stating its tasks and members. Committees report to the Board.

06 NEW ARTICLE: ELECTIONS

6.1 Elections are governed by the Electoral Rules approved by the competent governing body.

6.2 Only eligible affiliated clubs vote. Each eligible club has one vote.

6.3 Candidates must be adults, registered with TFAG, in good standing and nominated by an affiliated club.

6.4 Voting for persons is by secret ballot and is supervised by an independent Election Commission.

6.5 The President is elected by absolute majority, with a second round if required.

6.6 The Vice-President, Secretary, Treasurer and Board Member are elected by plurality, each position voted on separately.

6.7 The elected term is four years from the date of election.

07 NEW ARTICLE: PLAYER REGISTRATION AND COMPETITION ACCESS

7.1 TFAG maintains a national register of players and uses ITSF CORAL once access is granted.

7.2 A player registers through an affiliated club or directly with TFAG where no club is available, but direct individual registration does not create voting rights.

7.3 Player registration may be required for official ranking competitions, referee activity, national team selection and other official roles.

7.4 Registration information includes the data reasonably required for sporting administration and must be handled in accordance with applicable law.

08 FINANCIAL REPORTING AND ACCOUNTABILITY

8.1 The financial year is 1 January to 31 December unless the General Assembly decides otherwise.

8.2 The Treasurer, with the President, prepares the annual financial statement and forecast budget.

8.3 The General Assembly approves the annual activity report, closed-year financial statement and forecast budget.

8.4 TFAG's income and property may be used only for its non-commercial purposes. Profit may not be distributed to the Founder, Board, officers or members.

8.5 TFAG may receive sponsorship, donations, grants, fees and lawful income from supporting activities, provided all income is used for the association's purposes.

8.6 The annual financial statement is reviewed by an accountant who is not a member of the Board.

8.7 The approved activity report and financial statement are published on TFAG's website every year.

09 NEW ARTICLE: MEMBERS' RIGHTS

9.1 Affiliated clubs and registered players have the right to take part in TFAG activities and competitions under its rules.

9.2 Each eligible club has the right to propose agenda items, to speak and to vote at the General Assembly.

9.3 Members have the right to express their opinion freely, to receive the statute, approved reports, financial statements and decisions, and to send written proposals or complaints to the Board. The Board answers in writing within 30 days.

9.4 Members have the right to be heard before any disciplinary decision concerning them and to appeal it.

10 NEW ARTICLE: DISCIPLINE

10.1 Disciplinary rules apply to affiliated clubs, registered players and officials for breaches of the statute, TFAG or ITSF rules, or fair play.

10.2 For each case, the Board appoints a disciplinary panel of three people who are not involved in the case. Board members may not sit on the panel. Before the first Board takes office, the Sole Founder appoints the panel.

10.3 The person or club concerned receives the complaint in writing and has at least 7 days to respond and to be heard.

10.4 The panel decides in writing and gives its reasons. Possible measures are: a warning, suspension from competitions, or suspension or termination of membership.

10.5 The decision may be appealed in writing within 14 days to the next General Assembly. Until then, the decision remains in force unless the Board decides otherwise.

11 NEW ARTICLE: REVIEW OF THE STATUTE

11.1 The Board reviews this statute at least once every four years, before each elective General Assembly, and proposes any changes to the General Assembly.

11.2 Amendments adopted by the General Assembly are registered as required by Georgian law and published on TFAG's website.

12 TRANSITIONAL PROVISIONS

12.1 Until these amendments are formally adopted and registered, the current registered statute and Sole Founder structure remain in force.

12.2 Until at least three clubs meet the voting requirements, the Sole Founder continues to exercise the powers of the General Meeting in writing.

12.3 The current President and appointed team continue routine operations until the first elected President and Board take office.

12.4 The first election is planned for 30 January 2027, provided at least three eligible voting clubs have completed affiliation.

12.5 If the minimum number of clubs is not reached, the election is postponed and the lawful current structure continues.

12.6 The first elected term runs for four years from the election date, expected to be 2027–2031.

13 ADOPTION AND REGISTRATION

The Sole Founder adopted these amendments by written decision under the current registered statute. The President files the Georgian-language text with the National Agency of Public Registry.

ELECTORAL RULES

2027

First election under the club-based structure

TABLE FOOTBALL ASSOCIATION OF GEORGIA

საქართველოს მაგიდის ფეხბურთის ასოციაცია

REGISTERED	LEGAL FORM	ID NUMBER
28 February 2023	Non-commercial legal entity	404667188
FIRST ELECTION	**VOTING SYSTEM**	**STATUS**
30 January 2027	One club, one vote	Adopted by Sole Founder decision

01 PURPOSE AND STATUS

These rules set out the procedure for elections within the Table Football Association of Georgia (TFAG). They are intended for the first elective General Assembly on 30 January 2027 and for later elections unless amended.

These rules were adopted by the Sole Founder by written decision and apply from the date of signature. Provisions linked to the statute amendments apply after those amendments are registered.

02 DEFINITIONS

TERM	MEANING
Affiliated club	A table football club or organised table football section formally admitted by TFAG.
Eligible voting club	An affiliated club that meets the four-player minimum, has completed affiliation before the deadline and is not suspended.
Registered player	A player entered in TFAG's register and, once available, in ITSF CORAL.
Club representative	The person designated in writing to exercise the club's vote at the General Assembly.
Election Commission	The independent group appointed to supervise voting and counting.

03 CLUB AFFILIATION AND VOTING RIGHTS

3.1 Only affiliated clubs may vote at the General Assembly.

3.2 Each eligible affiliated club has one vote, regardless of the number of players in the club.

3.3 To exercise voting rights, a club must have at least four active registered players.

3.4 The same player may be counted for only one club during the same season.

3.5 Each club must submit a written affiliation request, a current list of players and the name of its authorised representative.

3.6 A club must agree to comply with TFAG and ITSF statutes, rules, decisions and standards of conduct.

3.7 A club must show real activity, such as regular play, access to a table, training, internal events or participation in TFAG competitions.

3.8 A club may be an independent legal entity or an organised table football section operating within a company, university, school, venue or other legal entity, provided its structure and representative are confirmed in writing.

3.9 A developing club with fewer than four active players may be affiliated without voting rights and becomes eligible to vote once it reaches the minimum.

3.10 At least three eligible voting clubs must be affiliated before the first elective General Assembly is held.

04 GENERAL ASSEMBLY AND ELECTION NOTICE

4.1 The elective General Assembly is convened by the President or the competent governing body.

4.2 Election notice must be sent at least 30 days before the meeting.

4.3 The notice must state the date, time, place or online access details, agenda, positions to be elected, affiliation deadline and nomination deadline.

4.4 Club affiliation and voting eligibility must be completed at least 30 days before the election.

4.5 Candidate nominations close 14 days before the election.

4.6 The final list of eligible clubs, representatives and candidates must be published at least 7 days before the election.

4.7 The General Assembly has quorum when more than half of all eligible voting clubs are represented.

4.8 If quorum is not reached, the meeting may be reconvened 24 hours later with the same agenda and may then proceed with the clubs represented.

05 ELECTION COMMISSION

5.1 The General Assembly appoints at least two scrutineers, including a Chair, to form the Election Commission.

5.2 A member of the Election Commission may not be a candidate, an outgoing elected Board member or a club representative voting in the election.

5.3 The Commission verifies accreditation, issues ballots, supervises secret voting, counts votes and records the results.

5.4 Any objection must be raised promptly and recorded before the results are formally approved.

5.5 The Commission's signed results sheet is attached to the minutes.

06 CANDIDATE ELIGIBILITY AND NOMINATION

6.1 A candidate must be at least 18 years old, registered with TFAG, in good standing and nominated by an affiliated club.

6.2 A candidate does not have to be the voting representative of the nominating club.

6.3 Nominations must be submitted on the official form and accepted in writing by the candidate.

6.4 Candidates must declare any conflict of interest and confirm that they will comply with TFAG and ITSF rules.

6.5 A person may stand for President or for one other Board position.

6.6 A person may stand for only one position at the same election.

07 POSITIONS AND STRUCTURE

POSITION	METHOD
President	Elected directly by affiliated clubs for four years.
Vice-President	Elected by affiliated clubs for four years.
Secretary	Elected by affiliated clubs for four years.
Treasurer	Elected by affiliated clubs for four years.
Board Member	One member elected by affiliated clubs for four years.
Committees	None at present. The Board may create committees later if activity grows.

The Board therefore consists of five members: the President, Vice-President, Secretary, Treasurer and one Board Member, all elected by the General Assembly.

08 VOTING PROCEDURE

8.1 Voting for persons is by secret ballot.

8.2 Each eligible club casts one ballot through its authorised representative.

8.3 Proxy voting by one club on behalf of another is not permitted.

8.4 A ballot is invalid if it identifies the voter, contains more choices than permitted or does not clearly show the voter's intention.

8.5 Abstentions and invalid ballots are recorded but are not counted as votes cast for a candidate.

09 ELECTION OF THE PRESIDENT

9.1 The President is elected for a four-year term.

9.2 A candidate is elected in the first round if they receive more than half of the valid votes cast.

9.3 If no candidate receives an absolute majority, the two candidates with the highest totals proceed to a second round.

9.4 In the second round, the candidate with the higher number of valid votes is elected.

9.5 If only one candidate stands, the ballot asks clubs to vote Yes, No or Abstain. The candidate is elected only if Yes votes exceed No votes.

9.6 If a final tie remains after an additional ballot, the Election Commission decides the result by drawing lots in the presence of the representatives.

10 ELECTION OF THE OTHER BOARD POSITIONS

10.1 After the President, the Vice-President, Secretary, Treasurer and Board Member are elected in separate ballots, in that order.

10.2 In each ballot, the candidate with the highest number of valid votes is elected. If only one candidate stands, rule 9.5 applies.

10.3 A tie is resolved by an additional ballot between the tied candidates and, if still tied, by drawing lots under rule 9.6.

10.4 If a position remains vacant, it may be filled at the next General Assembly. The Board may appoint an interim person until then.

11 CAMPAIGN RULES

11.1 The campaign period runs from the close of nominations, 14 days before the election, until the start of the General Assembly.

11.2 Candidates may present their programme to clubs and players in person, by message and on their own social media.

11.3 TFAG publishes on its website and Facebook page each candidate's name, nominating club and a short statement of up to 300 words written by the candidate, on equal terms for all candidates.

11.4 TFAG's channels, resources and events may not be used to support one candidate over another.

11.5 Candidates must campaign fairly and respectfully. Offering money, gifts or other benefits in exchange for votes is forbidden.

11.6 Complaints about the campaign go to the Election Commission, which decides before the vote and records its decision in the minutes.

12 PRESENTATION OF CANDIDATES

12.1 Before the vote for President, each presidential candidate has the same time, 10 minutes, to present to the General Assembly. The order is drawn by lot.

12.2 Candidates for the other Board positions may each present for up to 3 minutes, equal for all.

12.3 Club representatives may ask questions. Each candidate has the same time to answer.

13 TERMS, VACANCIES AND TRANSITION

13.1 The first elected term begins when the results are declared and ends four years later. The expected first term is 2027–2031.

13.2 The outgoing leadership continues routine administration until the elected President takes office.

13.3 If the Presidency becomes vacant, the Vice-President serves as Acting President until an election is held at the next General Assembly.

13.4 The first election may not be held until at least three clubs meet the voting requirements.

13.5 If the threshold is not reached by the planned date, the current lawful structure remains in place and the election is postponed without creating false or temporary voting clubs.

14 APPROVAL

These Electoral Rules were adopted by the Sole Founder by written decision, together with the amendments to the registered statute.

CORE PARTNERS	**VERSION**	**STATUS**
Betsson, Windfor's, Shuffle Boar	Public	Approved by Sole Founder decision

01 PURPOSE AND USE

This register identifies the organisations, communities and individuals that currently support TFAG or are important to its development. It distinguishes established relationships from informal cooperation and planned engagement so that TFAG does not overstate any partnership.

This is the public version. Personal contact details are not included.

02 RELATIONSHIP CATEGORIES

CATEGORY	MEANING
International governing body	Formal sporting relationship, rules, development support and international access.
Sponsor	Financial or in-kind support provided for federation activity.
Operational partner	Ongoing contribution to venue, communications, equipment or delivery.
Player community / potential club	Active organised group that may complete formal TFAG affiliation.
Educational stakeholder	University or school relationship supporting access, training and recruitment.
Supporting venue / event platform	Occasional hosting, exposure, media reach or event cooperation.
Institutional stakeholder	Public authority or other body relevant to recognition and sport administration.
Internal stakeholder	Players, volunteers, officials, coaches, juniors and families involved in TFAG activity.

03 CURRENT CORE RELATIONSHIPS

STAKEHOLDER	STATUS / CONTACT	CURRENT CONTRIBUTION	2027 DIRECTION
International Table Soccer Federation (ITSF)	International governing body; TFAG received an official national federation certificate for the 2024 season.	International rules and standards, federation guidance, development opportunities and the expected CORAL registration and ranking platform.	Complete compliance documentation, receive CORAL access, build referee and coach capacity and identify suitable international events.
Betsson Sport	Established principal sponsor since 2023.	Financial support was important at TFAG's launch and continues to support federation activity.	Discuss support for official ranking tournaments, youth development and sponsor-dependent international participation.
Windfor's	Established communications partner and active player community.	Branding, communications and social media support; participation in the table football community from the beginning.	Continue communications support and develop the player community into an affiliated club when eligibility requirements are met.
Shuffle Boar	Established venue partnership since April 2026.	Main TFAG venue, permanent location of two Leonhart tables, everyday access and regular open training from May 2026.	Remain the central training and competition base, host ranking events and beginner sessions, and support table maintenance and storage.

04 PLAYER COMMUNITIES AND FUTURE CLUBS

GROUP	CURRENT STATUS	CURRENT ROLE	AFFILIATION PATH
Windfor's player community	Active organised player group; not yet formally affiliated.	Regular participation and community visibility.	Prepare club application, nominate one representative and maintain at least four active registered players for voting rights.
Bank of Georgia - IT group	Informal internal player community; no formal corporate partnership with TFAG.	Players have joined TFAG activity gradually since 2023.	May affiliate as a separate club if it has at least four active registered players, a named representative and real ongoing activity.
Bank of Georgia - Insurance group	Informal internal player community; treated separately from the IT group.	Players have joined TFAG activity gradually since 2023.	May affiliate as a separate club under the same four-player, representative and activity requirements.

05 EDUCATION AND GRASSROOTS STAKEHOLDERS

STAKEHOLDER	STATUS	CURRENT ROLE	2027 DIRECTION
Free University of Tbilisi	Friendly educational relationship; hosted a TFAG tournament in 2024.	University access, student recruitment and event cooperation.	2027 pilot with table access, monthly visits, beginner training and a university tournament.
International Black Sea University	Friendly educational relationship; pilot cooperation planned.	Potential student player base and institutional host.	2027 pilot with table access, monthly visits, beginner training and a university tournament.
Two Tbilisi schools	Institutions to be selected; relationship not yet formal.	No current programme.	Begin a school pilot only after at least two coaches are trained; require parental consent and provide free introductory activity.
Junior players and parents	Internal development stakeholders.	Two under-18 players are currently active; wider junior base is still small.	Build safe participation, attendance records, U13/U16/U19 pathways and a junior development event.

06 SUPPORTING VENUES, FESTIVALS AND EVENT RELATIONSHIPS

STAKEHOLDER	RELATIONSHIP	CONTRIBUTION	NEXT STEP
Fabrika Tbilisi	Supportive venue relationship	Friendly venue and potential host or promotional platform	Maintain cooperation for community events where suitable
White Rabbit Bar	Supportive venue relationship	Friendly venue connected to the local player community	Maintain informal cooperation and event opportunities
Rooster Bar	Supportive venue relationship	Friendly venue and possible event host	Maintain informal cooperation and event opportunities
Ad Black Sea Festival	Recurring festival relationship	Tournament platform, creative-industry audience and media exposure	Continue festival tournament cooperation where confirmed
Sport Fest Tbilisi	Recurring event relationship	Hosted beginner mixed tournaments in 2023, 2024 and 2025	Continue introductory public activity where invited
Setanta	Past one-off collaboration	TFAG managed a 32-player tournament in 2025	No ongoing partnership is currently claimed

07 INSTITUTIONAL, TECHNICAL AND INTERNAL STAKEHOLDERS

STAKEHOLDER	STATUS	CURRENT ROLE	2027 PRIORITY
Relevant Georgian state sports authority	Institutional stakeholder; TFAG is legally registered but formal sports recognition has not yet been secured.	Consider TFAG's planned recognition application and provide applicable requirements.	Prepare and submit a written recognition request. TFAG met a Ministry of Sport representative in 2023; no written request has been submitted yet.
Leonhart / table and equipment suppliers	Commercial supplier relationship; no formal partnership is claimed.	Supply competition tables, parts, balls and technical accessories.	Purchase two additional tables when funding is secured and explore equipment support where appropriate.
TFAG players	Primary sporting stakeholders.	Participation in training, friendlies, tournaments and future ranking activity.	Register through clubs or TFAG, follow rules, support fair play and contribute to the national ranking and team pathway.
Volunteers	Internal delivery stakeholders, including Luka Chkhaberidze and Luka Makharoblishvili.	Support events, logistics and community activity.	Develop clearer roles, attendance records and reimbursement rules where resources allow.
Future referees and coaches	Capacity-development stakeholders; no formal workshops have yet been delivered.	Current activity relies on practical experience and ITSF guidance.	Train at least two coaches before the school pilot and begin a formal referee-development pathway.

08 ENGAGEMENT PRIORITIES FOR 2027

- Maintain regular operational contact with Betsson Sport, Windfor's and Shuffle Boar.
- Formalise at least three eligible clubs before the first elective General Assembly.
- Launch the two-university pilot and identify two suitable schools for the later school phase.
- Use the updated website to recognise active partners and publish approved governance and competition information.
- Prepare sponsor proposals for youth development, two additional tables and one international tournament.
- Record whether each relationship is formal, informal, one-off or planned and update the register at least once per year.

09 REVIEW AND APPROVAL

The President and Vice-President review this register as relationships change. Contact details, roles and partnership status are checked before each external submission.

TABLE FOOTBALL ASSOCIATION OF GEORGIA

DECLARATION ON NATIONAL REPRESENTATION

and relationships with other organisations

ITSF / AIMS topics 14–15 • October 2026

Public version

TABLE FOOTBALL ASSOCIATION OF GEORGIA

საქართველოს მაგიდის ფეხბურთის ასოციაცია

REGISTERED	LEGAL FORM	ID NUMBER
28 February 2023	Non-commercial legal entity	404667188
COUNTRY	REPRESENTATIVE	DATE
Georgia	Roland Kitia, President	October 2026

01 OFFICIAL DECLARATION

This declaration sets out TFAG's legal status, its role in Georgia, and its relationships with other organisations involved in its activity.

We, the undersigned representatives of the Table Football Association of Georgia (TFAG), hereby declare that TFAG is the national organisation established to develop, organise and represent table football in the country of Georgia.

REGISTERED NAME	Table Football Association of Georgia
GEORGIAN NAME	საქართველოს მაგიდის ფეხბურთის ასოციაცია
LEGAL FORM	Non-Entrepreneurial (Non-Commercial) Legal Entity
REGISTRATION	28 February 2023 · Identification number 404667188
LEGAL ADDRESS	11a Alexi Machavariani Street, Apartment 3, Tbilisi, Georgia
REPRESENTATIVE	Roland Kitia · President and Legal Representative

Uniqueness of national representation

To the best of TFAG's knowledge, there is no other federation, association, informal group or active organisation in Georgia that claims national representation for table football or carries out comparable national-level work. Since its registration in 2023, TFAG has organised tournaments, open training, beginner events and partnerships intended to develop the sport across the country.

Relationship with ITSF

TFAG was recognised by the International Table Soccer Federation as the official national federation and an official ITSF member for the 2024 season, and paid the membership fee for that season. At the ITSF General Assembly of 24 April 2024 (videoconference), TFAG took part with voting rights, represented by Roland Kitia and Beqa Meparishvili. That Assembly decided that ITSF membership is free from 2025. TFAG has remained an ITSF member since and is now completing the documentation and compliance process for the next stage of cooperation.

Status in Georgia

TFAG is legally registered in Georgia but has not yet received formal recognition as a national sports federation from the state. In 2023, TFAG met a representative of the Ministry of Sport to discuss recognition; no written application has been submitted yet. TFAG has no letters of support from the state, a city or a region.

TFAG has not applied to, and is not recognised by, the Georgian National Olympic Committee. To TFAG's knowledge, no other table football organisation is recognised by the Georgian National Olympic Committee.

02 RELATIONSHIPS WITH OTHER ORGANISATIONS

The organisations below are described according to the actual nature of their relationship with TFAG. A venue, sponsor, supporter or player community is not presented as a formal institutional partner unless such a relationship exists.

Organisation	Relationship	Current cooperation
International Table Soccer Federation (ITSF)	International governing body	Recognised TFAG as Georgia's official national federation and an official member for the 2024 season. TFAG took part in the ITSF General Assembly of 24 April 2024 with voting rights. TFAG is completing the next stage of documentation and cooperation.
Shuffle Boar	Partner venue	Provides the permanent playing base in Tbilisi, daily access to two Leonhart tournament tables, and space for open training and competitions.
Windfor's	Communications partner	Supports TFAG with branding, social media and communications.
Betsson Sport	Long-term sponsor	Supported TFAG from its early stage and has helped the association establish and develop its activity.
Free University of Tbilisi	Education and event relationship	Hosted the 2024 university tournament and is named as a planned pilot university for future table placement, training and student competitions.
International Black Sea University	Planned education relationship	Named as a planned pilot university for table placement, monthly practice support and student competition activity.
Ad Black Sea Festival	Festival and event relationship	Worked with TFAG on the Ad Black Sea Creatives Cup in 2023, 2024 and 2026.
Sport Fest Tbilisi	Festival and event relationship	Worked with TFAG on beginner mixed tournaments in 2023, 2024 and 2025.
Rooster Bar, Fabrika Tbilisi and White Rabbit Bar	Supportive venues and friends	Have supported previous table football activity and events. They are not described as formal institutional partners.
Bank of Georgia	Active internal player communities	Two internal office groups have tables and active players. Bank of Georgia is not currently a formal TFAG partner.

Commitment

TFAG will continue to organise and develop table football in Georgia, work towards formal state recognition, and cooperate with ITSF and local stakeholders. Information provided in this declaration is accurate to the best of TFAG's knowledge on the date of signature.

01 LEGAL BASIS

Under Article 2.9 of the registered statute, where the organisation has one founder, the powers of the General Meeting of Founders are exercised by that founder and the decision is made in writing.

Acting in that capacity, the Sole Founder adopts the following decision.

TFAG does not yet have an elected Board or a General Assembly; the first elective General Assembly is planned for 30 January 2027. Until then, the Sole Founder takes these decisions in their place.

02 DECISION

1. To approve the financial statement of TFAG for 1 January – 23 October 2026, prepared from TFAG's bank accounts: GEL 26,324.16 received (of which GEL 20,100.00 from the founder), GEL 20,687.14 paid (of which GEL 17,313.00 reimbursed to the founder for earlier tournament costs), and a bank balance of GEL 5,715.61 on 23 October 2026, together with the balance sheet and notes.
2. To approve the 2027 base forecast budget of GEL 16,000 (GEL 10,000 for running costs and GEL 6,000 for youth, school and university activity).
3. To approve the purchase of two additional Leonhart tables (estimate GEL 14,600) only if dedicated funding is found, and after written price, freight and customs quotations are obtained.
4. To approve international tournament participation only as a separate project fully funded by a sponsor.
5. To carry the 2026 surplus into 2027 for TFAG's activities. No surplus is distributed.
6. To instruct the Treasurer, Nugzar Dvalishvili, to keep all supporting records and to prepare the full-year 2026 statement after 31 December 2026, to be reviewed by an accountant.
7. To publish the public version of this statement on tfageorgia.com. Sponsorship amounts are not published at the sponsors' request; the full version is provided to ITSF.
8. To keep the original signed decision and the approved statement in TFAG's records.

TABLE FOOTBALL ASSOCIATION OF GEORGIA

WRITTEN DECISION

of the Sole Founder

Statute amendments and preparation of the 2027 elections

TABLE FOOTBALL ASSOCIATION OF GEORGIA

საქართველოს მაგიდის ფეხბურთის ასოციაცია

REGISTERED	LEGAL FORM	ID NUMBER
28 February 2023	Non-commercial legal entity	404667188
DECISION BY	PLACE	STATUS
Roland Kitia, Sole Founder	Tbilisi, Georgia	Adopted on signature

01 LEGAL BASIS

Under the current registered statute, the General Meeting of Founders is TFAG's highest governing body. Where there is one founder, the Founder exercises those powers through a written decision. The Founder also has authority to amend the statute, approve internal rules and appoint the person authorised to manage and represent the organisation.

TFAG does not yet have an elected Board or a General Assembly. Until the first elective General Assembly, the Sole Founder takes these decisions in their place.

02 DECISION

1. To adopt the Electoral Rules 2027, including the campaign rules and equal presentation time for candidates.
2. To adopt the amendments to the registered statute: membership and clubs, General Assembly, a five-member elected Board, team tasks instead of standing committees, elections, player registration, financial reporting, members' rights, discipline and regular review of the statute.
3. To authorise the President to prepare the Georgian-language text of the amendments and file it with the National Agency of Public Registry.
4. To authorise the opening of a formal club-affiliation process based on one club, one vote and a minimum of four active registered players for voting rights.
5. To require at least three eligible voting clubs before the first elective General Assembly may be held.
6. To hold the first elective General Assembly on Saturday 30 January 2027 at Shuffle Boar, Tbilisi. The election notice is published by 31 December 2026, and clubs must complete affiliation by the same date.
7. To authorise publication of the club criteria, election timetable, nomination forms and final list of eligible clubs and candidates.
8. To confirm that the current President and appointed team continue lawful routine operations until the elected President and Board take office.
9. TFAG does not create standing committees for now. The Board, once elected, gives tasks to named people and may create committees later if activity grows.
10. To retain the signed decision, approved rules and final registered amendments in TFAG's official records and include them in the ITSF documentation package.

03 ENTRY INTO FORCE

This decision enters into force on the date of signature. Provisions that require registration take legal effect only after registration in accordance with Georgian law.
